Why Take a Career Assessment?

Making High School Meaningful

Career assessments are not just for picking a future job—they help shape your high school experience right now.

Smart Class Scheduling

Select electives, AP, or honors courses that align with your genuine interests.

Early College & Career Credits

Identify pathways for Dual Enrollment, CTE/ROP programs, and internships.

College Major Alignment

Discover which majors align with your career goals so you can apply to colleges with the right programs.

Getting Started & Navigating to the Profiler

STEP 1

Log in to your **CaliforniaColleges.edu** student account. Select the Google Log In option.

STEP 2

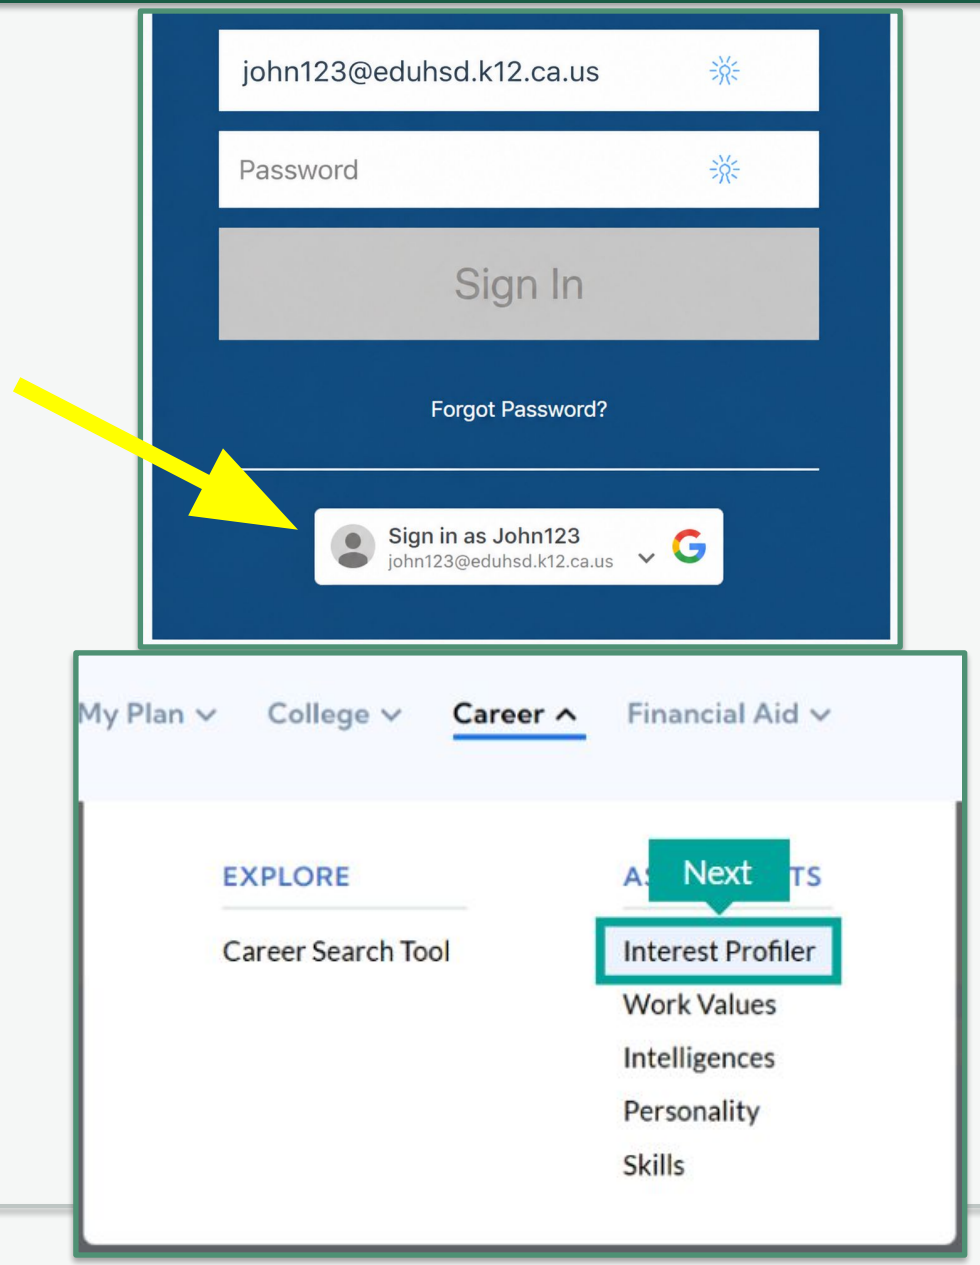
Hover over **Career** in the main top menu bar.

STEP 3

Click **Interest Profiler** from the drop-down menu.

STEP 4

Click **Get Started** to launch the assessment.



Taking the Assessment

How It Works

Rate how much you would like or dislike doing specific work activities.

No Stress

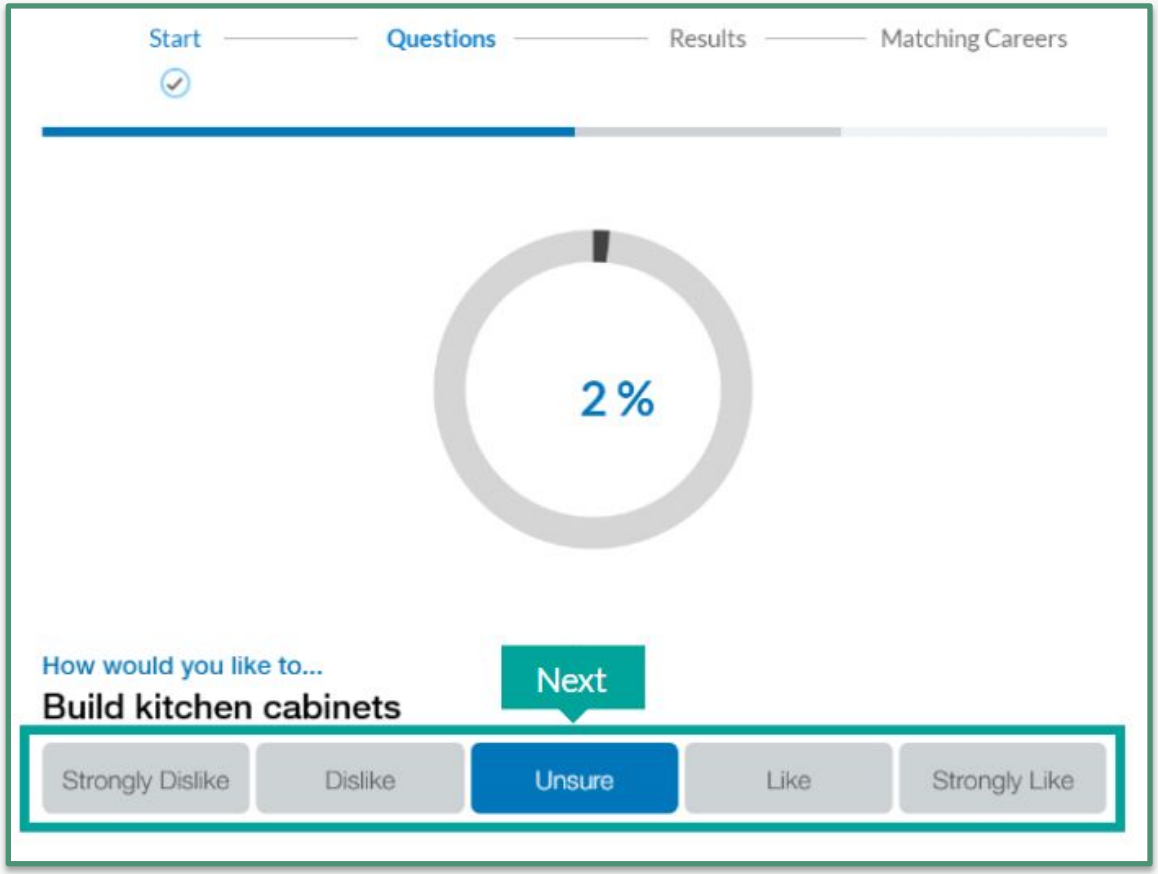
Answer honestly—there are no right or wrong answers. It takes about 10–20 minutes.

Track Progress

Watch the progress wheel at the top right reach 100%.

Finish

Click Complete once all questions are answered.



Understanding Your Results

Holland Code Categories

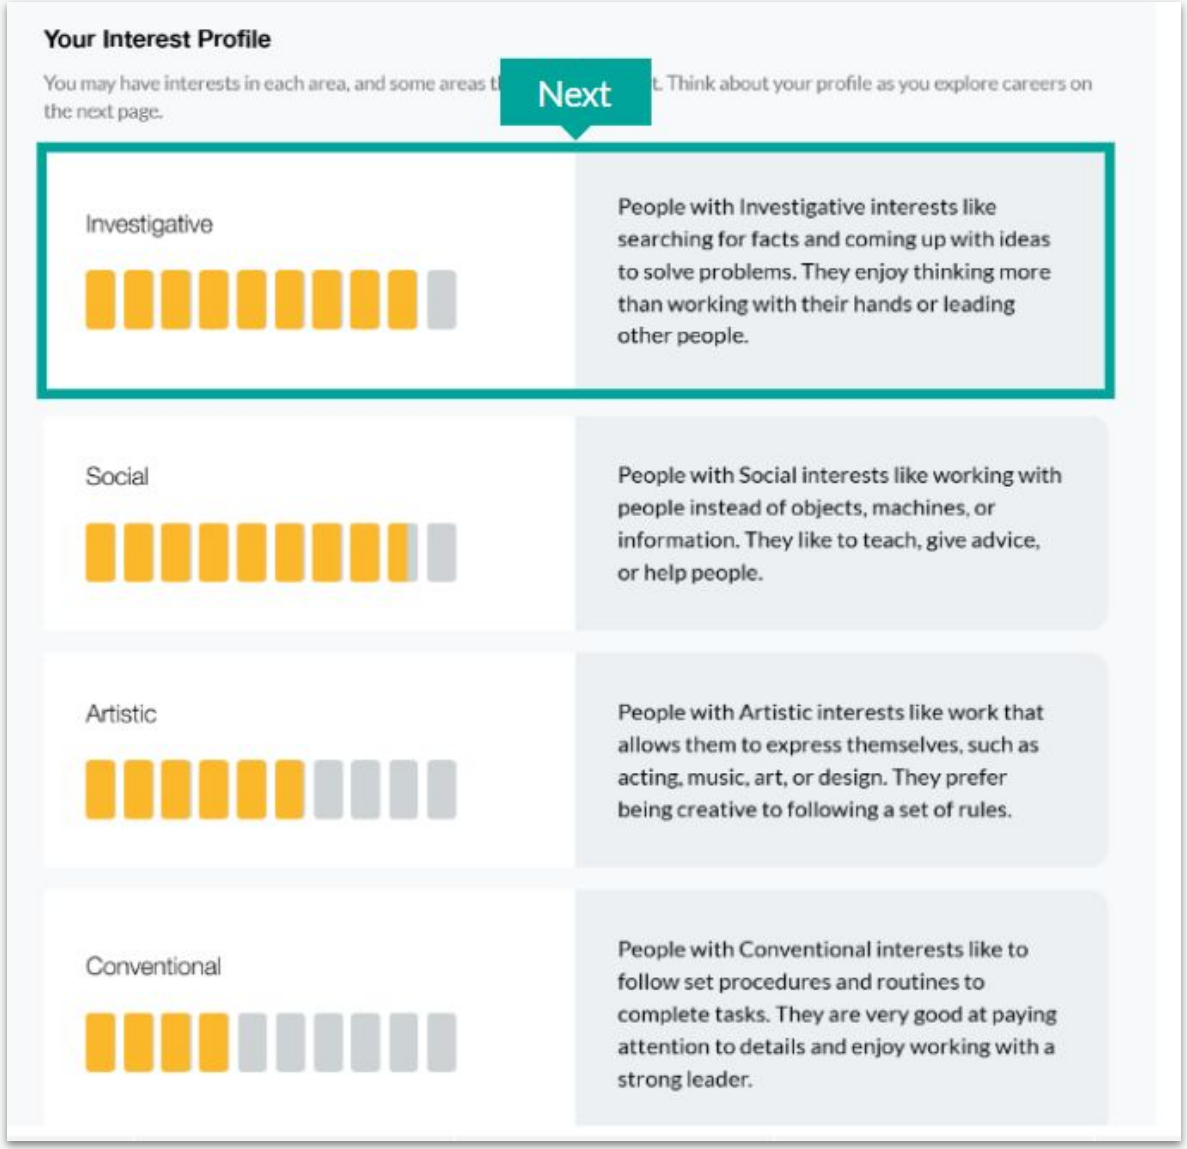
Your top interests are grouped into six areas: Realistic, Investigative, Artistic, Social, Enterprising, and Conventional.

Reflect

Use the notes box at the bottom to type reflection thoughts and click Save.

Next Step

Click Show Careers to see occupations that match your profile.



Exploring & Favoriting Careers

Matching Careers List

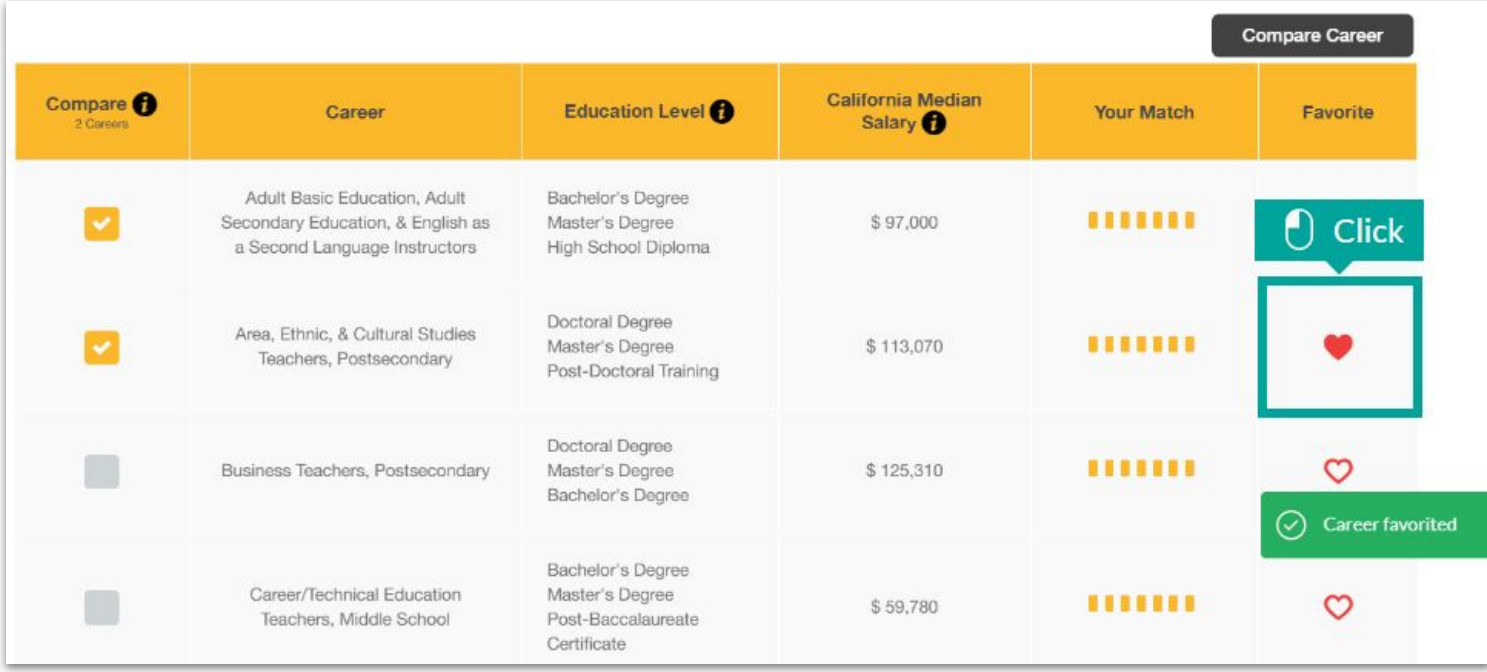
Browse jobs ranked by how closely they match your interests.

How to Favorite

Click the Heart Icon next to any career to instantly add it to your saved Career List.

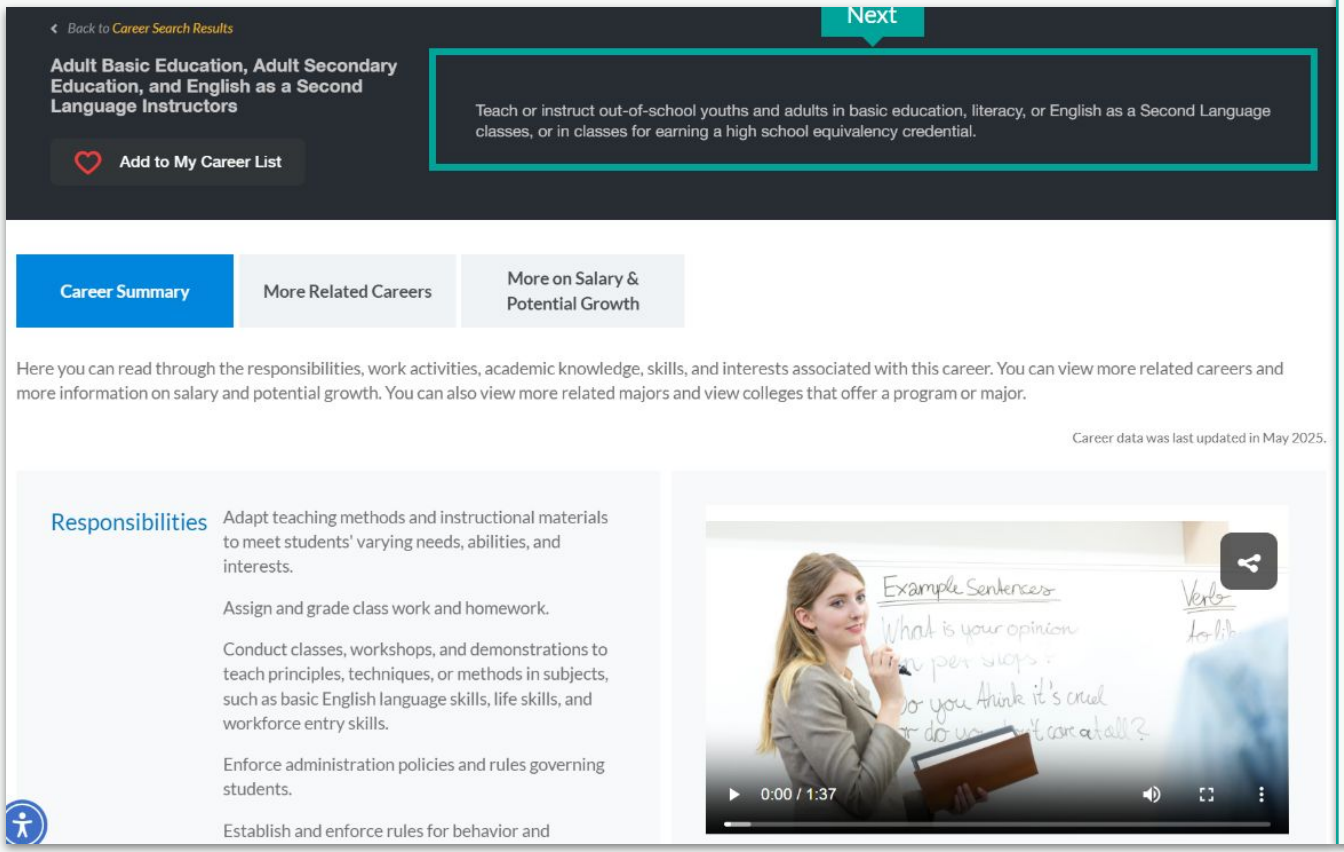
Compare Careers

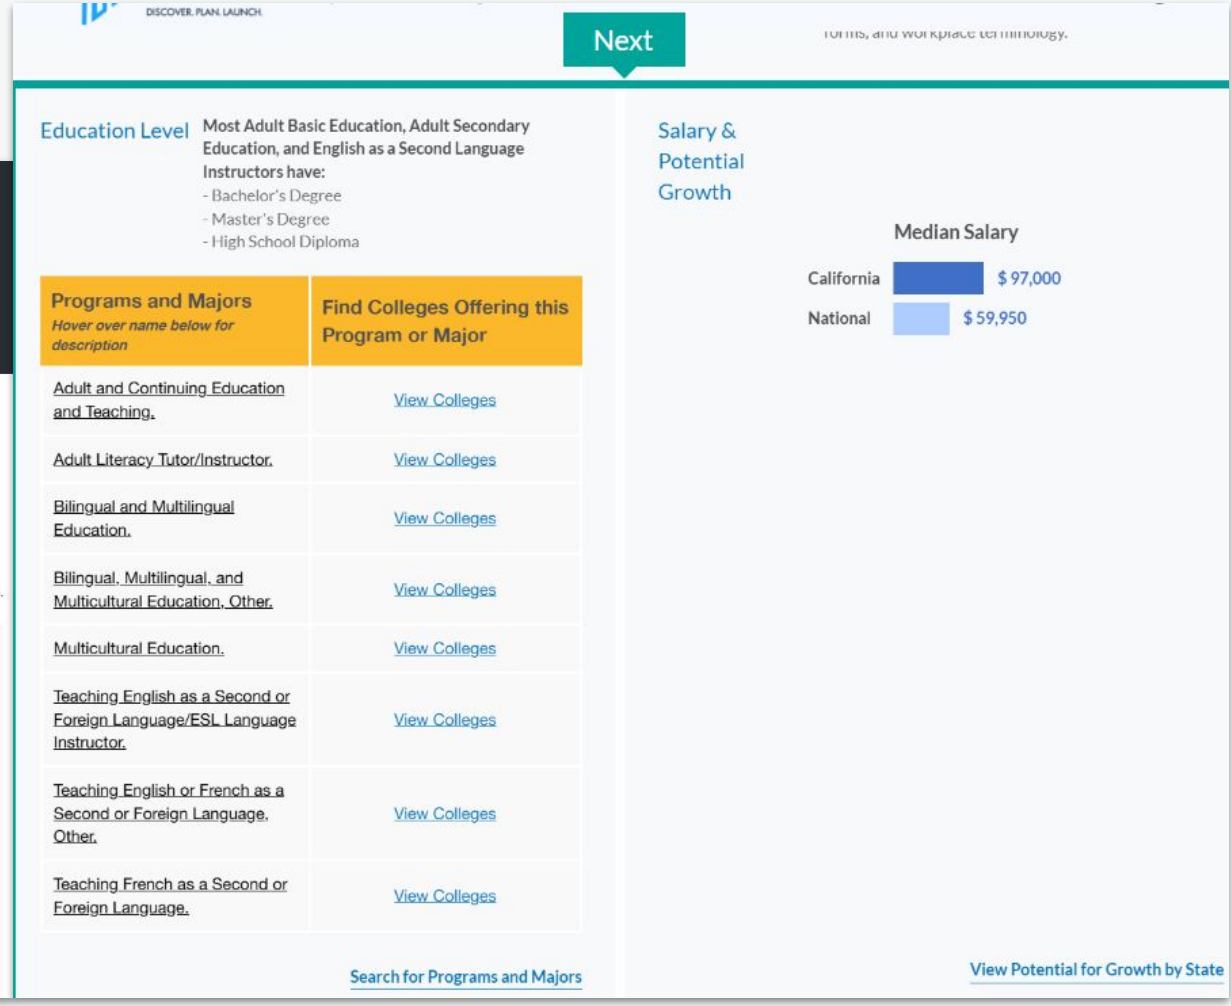
Check two boxes and click Compare Career to view salary, education, and responsibilities side-by-side.



Review Career Summaries

Learn about salaries, potential growth in the industry, preparation for the career, and job descriptions.

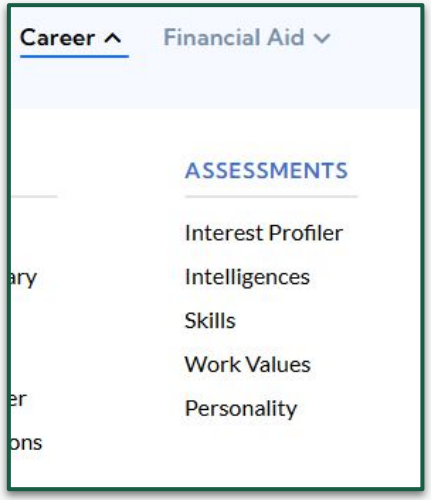




Take more assessments!

WHERE TO FIND THEM

1. Log in to CaliforniaColleges.edu using the Google Log In option.
2. Hover over **Career** in the top menu bar.
3. Under **Assessments**, pick the one you want to take.
4. See all your results in **My Plan → My Career Plan → Assessments**.



HOW LONG EACH ONE TAKES

Interest Profiler	Intelligences	Skills	Work Values	Personality
10–20 min	20–30 min	~20 min	~20 min	30–40 min
Unlimited attempts	3 attempts max	3 attempts max	Unlimited attempts	3 attempts max

YOUR INTERESTS TODAY CAN HELP SHAPE YOUR OPPORTUNITIES TOMORROW.

Please fill out this document & make sure to ♥ at least 1 career!

Interest Profiler Assessment

Name: _____ Student ID#: _____

Objective

Complete the Interest Profiler Career Assessment to identify careers that connect to your interests.

Warm-Up

How do you enjoy spending your time? What are your interests and hobbies? List what you enjoy about each.

Interest Profiler Career Assessment

1. Sign in to CaliforniaColleges.edu. Under Career, select Interest Profiler and complete the assessment.
2. Select Show Careers to explore careers connected to your interests.
3. Open a career to review its Career Summary. Favorite careers of interest to save them in My Career Plan.
4. Choose one favorited career and answer the questions below.

Career Reflection

What career did you select? Why?	
What are three responsibilities, activities, or skills that interest you?	
How does this career connect with your Interest Profiler results?	
What can you do to learn more about this career?	
What classes could you take during high school to further your interest in this career? See the back for elective options.
