Rainy Day Details

Recess and Lunch ***start*** times remain the same for all grade levels.

Morning Recess:

- The yard supervisor may stand in the pod between adjacent classroom doors to supervise
- Have something for your students to "do" – draw, cards, etc.

Lunch:

- Students will eat in the MPR for about **15-20 minutes** and then will be walked back to classrooms
- Yard supervisors will monitor students for another **15-20 minutes** in order to provide teachers with **at least 30 minutes** of duty-free lunch
- Please teach your students what to do when they return to class after lunch (draw, cards, etc.)

Before School:

- Plan to supervise at your assigned spot – dress accordingly
- Plan to open your doors by 8:20am or before (If you have morning duty, we realize you will not be available to open early)
