FAMILY RESOURCE GUIDE

Organized by:

Twin Rivers Unified School District

Student Services Department

Child Welfare & Attendance

The Family Resource Guide is designed to connect families of our school community with resources that help in times of need. The Guide is made possible through the Twin Rivers Unified School District. There are many additional services located throughout Sacramento County and the surrounding areas that residents may want to turn to for help.

Please call Infoline Sacramento at 211 or (916) 498-1000, or visit 211sacramento.org/211/ for more options.

You can also visit findhelp.org to search for needed resources.

Before making your phone call or searching online for a particular service, you may want to write down:

- WHO do you want to talk to?
- WHAT information do you want to know, or
- WHY do you need this service?
- REMEMBER if this particular service is unable to assist you, can they make a referral to someone who can?

Some programs in this Guide may have limited their services due to budget cuts. If you find that a service is no longer available, or that the number has changed, please contact the CWA office at (916) 566-1615, so that corrections can be made for the next publication of this Guide.

NOTE: *The resources provided in this guide are referrals only. They are not recommendations.*
