4.0 Information

4.1 Public Comment

President Bustos stated this time is offered to members of the public wishing to address the Board on matters under the jurisdiction of the Board, but not listed on the agenda. Board members may listen to but not discuss matters not on the agenda. (G.C. 54954.2) The Board will not take action on any items presented under public comment.

Speakers are limited to three minutes.

No one came forward to address the Board.

4.2 Letters and Communications

4.2.1 Award of Excellence – Fairmead Elementary School: Model Professional Learning Community (PLC) at Work School Recognition

Superintendent Protzman welcomed the group, explaining the Madera County Board of Education was excited to honor Fairmead. Jessica Drake, Dianna Marsh, and Tricia Protzman worked for Chowchilla Elementary School District before working for MCSOS.

Mrs. Protzman explained what a Model Professional Learning Community (PLC) is and the difficulty in achieving this accomplishment. She stated that nationwide, including Canada, there are approximately 600 schools out of 10,000 with the PLC recognition. This process demonstrates sustainability, team effort, and a supportive leadership team. Mrs. Protzman introduced Superintendent Doug Collins, Assistant Superintendent Michelle White, along with Board Trustees Jan Crader, Ken Lasiter, and Conrad Gaunt and staff members Casey Cox, Elizabeth Richard, and Cindy Alejandra.

Superintendent Collins thanked the Board for the recognition and stated he believes this is the first of many PLC honors for Chowchilla Elementary School District.

Board President Bustos presented the Award of Excellence to Chowchilla Elementary School District and a photo opportunity was provided.

President Bustos recessed to break at 3:43 p.m.

President Bustos opened the meeting at 3:57 p.m.

Superintendent Protzman introduced Nicholas Mihall who will be assuming Dennis Lingo's position as Chief, Information Systems and Technology Services Officer in December.

Mrs. Protzman provided the program from Excellence in Education, which took place on September 24, 2026.

4.3 Non-School Sources

Superintendent Protzman provided information on the following:

- Madera County Probation opened a mobile unit for support and check-ins. The MCSOS cadets presented the colors for the ribbon cutting.
- Jacklyn Jones, Jessica Drake, and Mrs. Protzman attended the President's State of the College event on October 2nd at the Madera College Agave Distillery. Dr. Angel Reyna provided an update on the college including the future plan to grow the hospitality program. The 15-acre agave distillery is one of the steps in the program. The vision is to open a hotel and restaurant and provide a package of hospitality services.

4.4 Madera County School Boards Association (MCSBA) Executive Committee Meeting Report
None

4.5 Madera County Foundation Board Report
Mrs. Marsh thanked Dr. Torres-Barton for leading a wonderfully organized planning meeting. Next steps and new activities on the horizon were discussed. Mrs. Winter will be organizing Life Games. To date, 17,000 students have been touched by student events. Battle of the Books has been moved to Saturday because the event has outgrown all the facilities in Madera. It will be held at a school site this year.

4.6 Member Report(s)

5.0 Information from the Superintendent and Staff

5.1 MCSOS Williams Quarterly Report
Ms. Drake reported that no complaints were filed this quarter.

5.2 Countywide Revenue by District and Total
Mrs. Verduzco reported the first quarter has ended. A PowerPoint presentation was given illustrating revenues received as of September 30th to the overall budget for each district and MCSOS. The County Board of Education does not have oversight over school district funding sources. The district receiving the highest percentage of its funding allocation for the year is Chowchilla Elementary School District at 31.3% and the lowest is Yosemite Unified School District at 12.3%. The difference is due to the type of revenue received. Revenue sources include: LCFF, Federal, State, local, transfers, other financial sources. Funding comes in at different times of the year, depending on the funding source. For example, Federal revenue is provided on a reimbursement basis. The district spends the funds and then is reimbursed. Other districts receive funds from property taxes. Those funds come in during December and April. Some districts have property taxes that make up 50% of their total revenue. Taxes and State aid offset each other. When one increases, the other decreases.

Mrs. Verduzco provided a report on each district and MCSOS for the Board. Of the $748.8 million budgeted for all districts and MCSOS, only $132.9 million has been received as of September 30, 2026.

5.3 2025-2026 Unaudited Actuals
Mrs. Verduzco provided a summary of the Unaudited Actuals for 2025-2026. The General Fund shows a Net increase of $7.2 million, which includes a $3.2 million increase to Unrestricted and a $4 million increase on the Restricted side. The increase in the Unrestricted funds will allow a contribution to Other Post-Employment Benefits (OPEB) for retiree health and welfare obligation, which stands at $15.6 million as of June 30, 2026.

Included in the Unrestricted Ending Fund balance are special funding assignments

totaling $15.9 million. These funds are reserved for LCAP Oversight, Differentiated Assistance, Alternative Education Supplemental/Concentration Funds, Deferred Maintenance, Community Resource Center, Early Learning Expansion Project, and Gould Educational Expansion Project.

The net decrease to the Charter School Fund Balance is $87,613: PTC had an increase of $6,254 and MCIA had a decrease of $93,867.

The auditors will be here in two weeks and then in January to present to the Board.

5.4 Review of Prop 28, Arts and Music Grant Plans

5.4.1 Gould Educational Center Plan

Prop 28 provides funds to employ staff for arts and music programs. However, with the funding falling short of covering a position fully, MCSOS has submitted a waiver to use the funds in other ways. In Student Programs and Services, art therapy bins for each of the Emotional Disturbance (ED) classes has been created. Books on art therapy have been purchased. Grade level appropriate musical instruments such as drum kits and xylophones were purchased. Karaoke machines were obtained for older students. Funds may be used to transport students to dance and music performances at Fresno State. An art cart, maintained by office staff, has been purchased for usage at Gould. Puppets and theater tents have also been purchased.

Mrs. Verduzco added Prop 28 are State funds. A plan must be prepared by site. All activities must be new to qualify for funding.

5.4.2 Early Childhood Education Plan

Mrs. Jones and Ms. Yang explained how Prop 28 funding was used in their program. The focus was on two areas: photography and inclusive art exploration (combining general education with Early Start students). Early learning developmental domains included: visual arts, music, drama, and dance. An art exploration class will be provided from 3:15-4 p.m. on October 28, November 4, November 18, and December 9. Ms. Yang reviewed a lesson plan and the benefits of art for developing minds. Parents participate in the classes. Sets of cameras were provided for each classroom. A book of their photos was passed around. On October 28th, students will have an opportunity to use their camera during a field trip to the pumpkin patch.

5.5 Disclosure of Salary Adjustment per Education Code 1302

Mrs. Protzman explained Education Code 1302 was passed in 2002 and stipulates that salary increases or bonuses of over $10,000 must be brought to the Board of Education for discussion. This year, there were a total of 11 staff members with salaries that increased more than $10,000. Eight of those were due to promotions such as instructional assistants becoming teachers. There were some teachers that submitted units, which increased their wage. One teacher had an increase in the number of work days for programmatic reasons. Another example is a Human Resources position that was reclassified.

5.6 Annual Report

Mrs. Protzman explained the format changed, while the information is similar, it is being presented in different ways such as in charts or graphs and tells the MCSOS report through photographs instead of relying heavily on words. Kim Vass did the heavy lifting on this project. The final product will be on glossy paper from a professional printer. The focus was on areas MCSOS is growing along with new activities and programs.

6.0 Old Business

None

Board Member Soares, Jr., asked if agenda item 7.0 Closed Session could be moved to the end to allow staff to leave that do not need to be present for this agenda item. Board members agreed and moved to agenda item 8.0.

8.0 New Business

8.1 Consideration Issuance of Temporary County Certificates

Mrs. Maxfield asked the Board to ratify the issuance of Temporary County Certificates (TCCs) from September 1-30, 2026. TCCs are issued in order to authorize the individual to work while the California Commission on Teacher Credentialing reviews their waiver request, emergency permit, initial and/or renewal credential application packet.

Danny Bonilla moved to ratify the TCCs, seconded Dianna Marsh and carried by unanimous vote.

Ayes: Bonilla, Bustos, Loveland, Marsh, Soares, Jr.
Noes: None
Abstain: None
Absent: Deniz, Nishimoto

8.2 Consideration Disposition of Surplus/Obsolete Equipment

Mrs. Verduzco provided a list of equipment declared obsolete. The list included a desk, backup batteries, a TV/VCR stand, an electric stapler, a booklet maker, student chairs, and a metal filing cabinet.

Alfred Soares, Jr., moved to approve the list of equipment declared obsolete, seconded by Dianna Marsh and carried by unanimous vote.

Ayes: Bonilla, Bustos, Loveland, Marsh, Soares, Jr.
Noes: None
Abstain: None
Absent: Deniz, Nishimoto

8.3 Consideration Educational Resources and Services Instructional Materials Recommendations

Ms. Blanco brought examples of the materials to be included in the ERS collection. Mrs.

Blanco purchased a few herself and Kim Linderholm and the Madera County Cattlewomen Association also made book donations.

Mrs. Marsh asked how teachers know about the latest editions to ERS. Ms. Blanco explained that ERS distributes a newsletter on a regular basis and the new materials are featured.

Dianna Marsh moved to accept the selections of Educational Resources and Services and approve the list of materials for inclusion in the County collection, seconded by Danny Bonilla and carried by unanimous vote.

Ayes: Bonilla, Bustos, Loveland, Marsh, Soares, Jr.
Noes: None
Abstain: None
Absent: Deniz, Nishimoto

8.4 Consideration Comprehensive Safety Plan

8.4.1 School Safety Plans

8.4.2 Disaster Response and Emergency Preparedness Plan

Ms. Drake provided information on both the School Safety Plan and the Disaster Response and Emergency Preparedness Plan. The School Safety Plans focus on culture, climate, and physical environment. The committee meets four times a year. Mr. Lingo was brought in over the last few years to help the group concentrate on cybersecurity.

The Disaster Response and Emergency Preparedness Plan focuses on what staff would do in response to an emergency (earthquake, active shooter, etc.). The local fire and police departments are included in school sites conversations. A binder is kept at each site, and staff are trained in actions they may need to take during an emergency. The instructional continuity plan was brought separately last year and is now included in the binder. October is school safety month. Additional safety measures have been put into place at Gould and Apollo including buzzing people in and out and newer, better-quality cameras.

Mrs. Marsh asked for Mrs. Protzman's name to be listed consistently. It was spelled, Tricia Protzman, Trisha Protzman, and Patricia Protzman.

Alfred Soares, Jr., moved to approve the changes made to the 2026-2027 Safe School Plans, Emergency Preparedness Plans, and Instructional Continuity Plan for Madera County Superintendent of Schools noting the change of the Superintendents name will be Tricia Protzman throughout the document, seconded by Dianna Marsh and carried by unanimous vote.

Ayes: Bonilla, Bustos, Loveland, Marsh, Soares, Jr.
Noes: None
Abstain: None

Absent: Deniz, Nishimoto

8.5 Consideration Resolution No. 3, 2026-2027 Gann Limit

Mrs. Verduzco stated the Gann Amendment, Proposition 4, was passed in 1979. It established limits on State and local government spending to be no greater that the rate of inflation and the change in population.

Alfred Soares, Jr., moved to adopt Resolution No. 3 – 2026-2027, GANN Limit as presented, seconded by Danny Bonilla and carried by unanimous vote.

Ayes: Bonilla, Bustos, Loveland, Marsh, Soares, Jr.
Noes: None
Abstain: None
Absent: Deniz, Nishimoto

8.6 Consideration of Single Plan for Student Achievement (SPSA) for Madera County Superintendent of Schools (Endeavor/Voyager Secondary)

Mr. Sanchez explained the SPSA is a subset of the MCSOS LCAP. The SPSA represents a school's cycle of continuous improvement of student performance. Annually the school site council develops, reviews, and updates the SPSA. The review includes a comprehensive look at data and the development of actions necessary to achieve school goals. The plan also addresses funding and proposed expenditures related to state and federal categorical programs.

Mr. Sanchez added the average of length of time students are staying at Endeavor/Voyager has increased. Students are taking advantage of programs, such as Rising Scholars to earn credits for college. Two students are currently enrolled at Fresno State having already received their associates degree through Fresno City.

Mrs. Marsh asked about the suspension rate increasing. Mr. Sanchez explained this student population is small, and just a few suspensions affect the percentage rates immensely. Madera County has been fighting a gang issue for over two-and-a-half years. A fight broke out and the appropriate discipline was implemented.

Alfred Soares, Jr., moved to approve the Title I Single Plan for Student Achievement (SPSA), seconded by Tammy Loveland and carried by unanimous vote.

Ayes: Bonilla, Bustos, Loveland, Marsh, Soares, Jr.
Noes: None
Abstain: None
Absent: Deniz, Nishimoto

8.7 Consideration of Supervisor of Attendance Certification

Dr. Torres-Barton stated each district has to have a supervisor monitoring attendance. The county provided training to those individuals. Previously, this training was offered through Tulare County Office of Education.

Dianna Marsh moved to approve the list of Attendance Engagement Training and Workshop attendees as certified as supervisors of attendance for their respective districts, seconded by Danny Bonilla and carried by unanimous vote.

Ayes: Bonilla, Bustos, Loveland, Marsh, Soares, Jr.
Noes: None
Abstain: None
Absent: Deniz, Nishimoto

8.8 Consideration of Resolution No. 4 2026-2027 Authorizing Filing of Application(s) for State Allocation Board-Administered Programs for the Madera County Superintendent of Schools

Mrs. Verduzco explained this is the first of many steps an LEA has to take to receive funding from the State for facilities. This provides MCSOS with permission to apply for funding to expand/improve at Gould, Early Education, etc.

Alfred Soares, Jr., moved to approve Resolution No. 4 – 2026-2027, Authorizing the Filing of Application(s) for State Allocation Board-Administered Programs for the Madera County Superintendent of Schools, seconded by Danny Bonilla and carried by unanimous vote.

Ayes: Bonilla, Bustos, Loveland, Marsh, Soares, Jr.
Noes: None
Abstain: None
Absent: Deniz, Nishimoto

2026 Williams Site Visitation Annual
Report Required by
Terms of the Williams Settlement

November 2026

Background: In May 2000 the American Civil Liberties Union and other public interest advocates representing students across the state filed a lawsuit against the State of California, the Superintendent of Public Instruction, the State Board of Education, and the California Department of Education. The lawsuit claimed that the State failed to provide poor and underprivileged students with equal educational opportunities. Allegations included the following conditions existed in schools with poor and underprivileged students:

1. Lack of sufficient educational tools, e.g., textbooks, instructional materials.
2. Inadequate facilities, e.g., lack of heating/air conditioning, unclean restrooms, etc.
3. Lack of fully credentialed teachers.

The Williams Settlement covered a broad scope of issues regarding instructional materials, facilities maintenance, teacher credentialing and assignment monitoring, enhanced public reporting in the School Accountability Report Cards (SARC), and Year-Round Schools operating on the Concept 6 calendar [not a year-round calendar operating in Madera County at the time or since].

In August 2004 Governor Schwarzenegger settled this lawsuit. The initial result of the settlement was the enactment of five pieces of legislation to ensure monitoring of conditions at school sites with student scores in the lower third deciles or Deciles 1, 2, and 3 Schools on the 2003 Academic Performance Index (API). An additional outcome was a new oversight role for county superintendents for schools in deciles 1-3 on the 2003 base API. Subsequent legislation changed the API base year from 2003 to more current API deciles 1-3 schools for the purpose of school sites subject to site visitations. From 2012 through 2021 the schools monitored were based on the 2012 Base Academic Performance Index.

In October 2021 Governor Newsom approved Assembly Bill 599 that changed how schools were identified for Williams' monitoring. As outlined in AB 599, schools that meet at least one of the criteria listed below are eligible for monitoring under the Williams settlement legislation, following the 2023 CA Dashboard and subsequent 3-year cycles:

- Schools eligible for Comprehensive Support and Improvement (CSI) under the Every Student Succeeds Act (ESSA).
- Schools eligible for Additional Targeted Support and Improvement (ATSI) under ESSA.
- Schools with fifteen percent or more of the school's teachers that do not possess a valid and clear or preliminary teaching credential. (Ed. Code Section 1240)

Site visitations require verification of sufficiency of textbooks and instructional materials; the adequacy, health and safety of school facilities; appropriate posting of the uniform complaint procedures [UCP], review of School Accountability Report Cards [SARC]; and review of teacher credentialling.

The findings of these required site visits are reported to the governing boards of those schools, the Madera County Board of Education, and to the Madera County Board of Supervisors. This report contains the findings for the site visits to these eligible schools:

Alview-Dairyland Union Elementary School District:
Alview Elementary and Dairyland Elementary

Bass Lake Joint Union Elementary School District:
Oakhurst Elementary, Wasuma Elementary and Oak Creek Intermediate

Chawanakee Unified School District:
Hillside Elementary, Minarets High and Minarets Charter High

Chowchilla Elementary School District:
Ronald Reagan Elementary, Stephens Elementary, Fairmead Elementary and Wilson Middle

Chowchilla Union High School District:
Chowchilla Union High

Golden Valley Unified School District:
Stone Creek Elementary and Webster Elementary

Madera Unified School District:
Alpha Elementary, Duane E. Furman Independent Study, Thomas Jefferson Middle, Martin Luther King Jr. Middle, John J. Pershing Elementary, Matilda Torres High, Madera High, Howard Elementary, Berenda Elementary and Lincoln Elementary

Sherman Thomas Charter Schools:
Sherman Thomas Charter and Sherman Thomas Charter High

Raymond-Knowles Union Elementary School District:
Raymond-Knowles Elementary

Yosemite Unified School District:
Coarsegold Elementary and Rivergold Elementary

The visits as specified in California Education Code Section 1240 are:

1. To ensure that students have access to sufficient instructional materials in four core subject areas of English language arts, including the English language development component, mathematics, history/social science and science in all schools visited, plus world language and health at the secondary level and the availability of laboratory science equipment as applicable to science laboratory courses offered in grades 9 to 12, inclusive; and
2. To assess compliance with facilities maintenance to determine the condition of a facility that poses an emergency or urgent threat to the health or safety of pupils or staff; and
3. To determine if the school has provided accurate data for the annual school accountability report card related to instructional materials and facilities maintenance; and
4. To determine teacher vacancies, assignments, and credentials.

The standards set forth in the law define "sufficient" instructional materials to mean every pupil, including English learners, has a textbook and/or instructional materials in the four/six core areas to use in class and have access at home each night. Facilities standards for each school district receiving state funding for facilities maintenance are required to establish a facilities inspection program and to ensure that each of its schools is maintained in good repair. "Good repair" is defined as maintaining schools that are clean, safe, and functional.

The School Site Review Team is required to visit a minimum of 25% of core curriculum classrooms at the elementary level, and 20% of sections of core subjects at the secondary level with a prescribed array of programs, e.g. review of courses for English Language Learners. Additionally, ancillary facilities such as restrooms, multipurpose rooms, libraries, resource classrooms, and special day classrooms are subject to site review.

Findings in the required areas were as follows:

I. **Access and Sufficiency of Instructional Materials in the Core Areas:** Of the thirty school sites visited, the following findings apply to access and sufficiency of instructional materials. Site reports contain additional information regarding findings that may have been resolved during the site visit or prior to the October 23, 2026 resolution deadline.

Agenda Item 8.3

Board of Education Action Item
November 10, 2026

Topic:
Consideration of Investment Performance Statement

Background:
Section 53646 of the Government Code requires the chief fiscal officer of each local agency to provide to the governing board a report of investments, on a quarterly basis. However, if all of an agency's funds are placed in the county treasury, Local Agency Investment Fund (LAIF) or an FDIC-insured bank account, the most recent statement received from these institutions will suffice. If an agency has any other investments, additional reporting is required.

Following its 2026 Investment Policy, all Madera County Superintendent of Schools funds are deposited in the Madera County Treasury, including the proceeds of the tax revenue anticipation notes (TRAN) program, when MCSOS participates. Therefore, we have attached a copy of the latest monthly investment report from the Madera County Co-Mingled Investment Pool which includes its most recent list of investments.

The County Treasurer-Tax Collector's investments continue to provide as favorable a rate of return as can be expected in the current financial market. The current rate of return is 4.16% and is lower compared to last year's rate of return of 4.30% for the same time period by 0.14%.

Financial Impact:
Approximately $20,000 per year.

Resource:
Marisol Verduzco
Chief Officer
Business and Administrative Services

Recommendation:
It is recommended the Board approve the quarterly rate of return of investments with the county government as presented.

MEMORANDUM

Date: October 19, 2026
To: Madera County Commingled Investment Pool Participants
From: Tracy Kennedy, Treasurer-Tax Collector
Subject: Investment Portfolio Summary – September 2026

REQUIREMENT

This report summarizes the investment activity for the month ending September 30, 2026. It details the pooled funds on deposit by investment type, issuer name, maturity date, par value, and subtotal amounts invested within each sector held by the County Treasurer. Market values are provided by the custodial bank, Principal Custody Solutions.

The County Treasurer's Investment Policy, effective January 1, 2026, requires quarterly investment reports within 45 days after each quarter's end, consistent with the reporting provisions of Government Code Section 53646(b). The Treasurer has chosen to exceed this requirement by issuing monthly reports, which are distributed to all pool participants.

DISCUSSION

The portfolio is actively managed by the County Treasurer.

The portfolio's objectives are Safety, Liquidity, and Yield, consistent with the County's Investment Policy. This policy is certified by the California Municipal Treasurers Association (CMTA), which evaluates 18 key components of an investment policy and requires a minimum passing score of 85 out of 100 for certification. The 2026 Investment Policy earned a score of 97.

The Treasurer closely monitors economic conditions to ensure adequate liquidity for all expenditure obligations. Investments are restricted to high-quality, low-risk instruments authorized under Government Code Section 53601. Authorized investments are limited by percentage restrictions applied at the time of purchase. Changes in market values or portfolio composition after purchase do not constitute policy violations.

Currently, the portfolio composition is as follows:

- **U.S. Treasuries:** 40.74% (safest investment instruments)
- **Federal Agency Securities:** 16.35% (backed by the U.S. Federal Government)

- **Other Investments:** (42.91%), including Money Market Funds, Joint Powers Authority (JPA) investments, Commercial Paper, Corporate Medium-Term Notes, Municipal Bonds, and a Bank of America interest account.

The portfolio's yield objective focuses on earning a market rate of return aligned with current fiscal and economic conditions, while considering risk constraints and ensuring portfolio liquidity.

Agenda Item 8.4

Board of Education Action Item
November 10, 2026

Topic:
Consideration Approval of Revised 2026-2027 Instructional School Calendar

8.4.1 Chowchilla Union High School (SDC)
8.4.2 Pioneer Technical Center, Chowchilla

Background:
The Madera County Board of Education annually approves school calendars for Madera County Superintendent of Schools (MCSOS) Alternative Education, Special Education and Charter School programs.

Pioneer Technical Center Chowchilla will follow the Chowchilla Union High School District's calendar. This change to PTC-Chowchilla reflects changes to the approved Chowchilla Union High School and Chowchilla Elementary School Districts' school Calendars due to a change of school closure for the annual Chowchilla Fair from May 14, 2027 to May 7, 2027.

Financial Impact:
None

Resource:
Frederick Cogan
Executive Director,
Career & Alternative Education Services

Jessica Drake
Executive Director
Student Programs and Services

Recommendation:
Acceptance of the calendars as presented.
