

Laguna Creek High School

Parent Teacher Student Organization

2025-2026 PTSO Membership Donation

The Laguna Creek Parent - Teacher - Student Organization (PTSO) is non-profit organization of an all-volunteer staff that meets monthly during the school year to support the Cardinal community.

Our primary focus is to promote a beneficial and positive relationship between LCHS students, parents, faculty, and staff.

In the past years, PTSO has contributed to fulfilling teachers' classroom wish lists, bring your parent and guardian to lunch, student scholarships, DJs and music during lunches, supported clubs and organizations with guest speakers, and annually plans and coordinates events such as Senior Sober Graduation Night Party for the LCHS Seniors.

Without your contributions and membership donations, PTSO would not be able to exist to provide this assistance. All donations make a difference!

Please consider joining your Laguna Creek High School PTSO today!
