

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students and teachers all agree upon. It explains how parents and teachers will work together to make sure all students reach or exceed grade-level standards.

Effective Compacts:

- ◆ Link goals of the school improvement plan.
- ◆ Focus on student learning skills.
- ◆ Describe how teachers will help students develop those skills using high-quality curriculum and instruction.
- ◆ Share strategies parents can use at home.
- ◆ Explain how teachers and parents will communicate about student progress.
- ◆ Describe opportunities for parents to volunteer, observe, and participate in the classroom.

TEAMWORK

The parents and staff of Live Oak High School will meet yearly to discuss student learning needs based on current grade-level data. Our School-Parent Compact for Achievement is revised based on these discussions. Teachers suggest home learning strategies and parents add ideas to support learning goals for students.

Parents are welcome to contribute comments at any time.

Please contact your child's teacher if you would like to volunteer or observe in the classroom.
