A Good Friend Art - Baylies Kinder Class

Dear Sycamore Valley Families:

I hope you and your family are well. Students have been busy - TK is learning about Kimochis and their classmates, Kinder has started letter sounds, 1st grade is blending, 2nd grade is working on personal narratives, 3rd grade has been

studying prefixes, 4th grade has started non-fiction bookclubs, and 5th grade has been learning about exponents and base ten systems. The school year is in full swing!

Keep reading for some dates to remember, information on the character trait of the month and the October read aloud, a curriculum update, a registration update, the School Site Council update, and department updates.

Dates to Remember:

09/01 - No School - Labor Day

09/04 - Vision & Hearing = 5th & 2nd Grades

Bell Schedule:

September Schedule

Attendance:

Congratulations - Sycamore had 98% attendance or better last week!

Character Trait of the Month:

In **August** we focused on **kindness**. We held grade level meetings in the MPR to discuss expectations the first week of school as we do every year. The first few slides remind us about the Golden Rule - treating others as we want to be treated. This is the starting point for our conversation throughout the month about the importance of kindness. In **September** we will focus on **fairness**.

October Character Trait Read-Alouds:

In **October** we will begin principal read-alouds centered on the character trait of the month - **empathy**. Books that will help us explore empathy are *My Friend is* Sad by Mo Willems, *The Invisible Boy* by Trudy Ludwig, *Strictly No Elephants* by Lisa Mantchev.

Curriculum Update:

We have great pride in the beauty and strength that is the diversity of our students, staff, and community as a whole. We design our **curriculum** to be objective and developmentally appropriate, helping students develop critical thinking skills, understand multiple perspectives, and prepare for success in an ever-changing world. We remain committed to delivering the highest quality education to all students, fostering their academic and social growth, and cultivating supportive environments where every member of our school community feels valued and has the opportunity to thrive.

We also respect the rights of parents and caregivers to guide their child's education. Recently, a Supreme Court ruling, *Mahmoud v. Taylor* (6/27/2025),

clarified that, based on a "sincerely held religious belief", a parent or caregiver can opt their student out "from specific aspects of the school curriculum" that impact their religious belief. This ruling does not change the content we teach in our schools; rather, it clarifies the circumstances under which a family can request to opt out of specific learning opportunities. If you wish to request an exemption for your child from "specific aspects of the school curriculum" based on a sincerely held religious belief, please contact me.

School Site Council:

We are delighted to report that the ballot for the School Site Council was confirmed. Thank you to each of the candidates for volunteering!

Registration Update:

Thank you to all of the parents that have completed registration! We are 60% to our goal, but need 100% participation! The \$675 suggested donation stays here at Sycamore and allows us to support each student with para support, which is incredibly valuable! Your generous donations make this possible! Thank you! Any donation amount is greatly appreciated and remember, registration is where you also buy yearbooks, complete directory information, and make the classroom donation. Please login and complete today.

District Updates:

<u>September is Attendance Awareness Month: Share Message #1</u> Did you know?

Missing just 2 days of school each month adds up to nearly a full month of lost learning in a year. <u>Early absences often predict ongoing attendance problems</u>, and students who miss too much school risk falling behind academically. Parents and caregivers play a key role in supporting strong attendance. Aim for your child to attend at least 95% of school days each year. Tips for good attendance:

- Make daily, on-time attendance a priority and have backup plans if issues arise.
- Monitor your child's attendance and ask the front office if you need help accessing records.
- Schedule routine appointments outside of school hours when possible.
- Avoid vacations during school days. If travel is unavoidable, ask about an independent study contract.

Here is some additional information about what you can do to help your student get to school on time every day: <u>Elementary</u> If you have any questions or concerns about your student's attendance, please reach out to us!

<u>September is Attendance Awareness Month: Share Message #2</u> Week 2: THE IMPORTANCE OF SLEEP Did you know?

Research has shown that sleep is very important for learning and memory, and helps children process and integrate the information they learned during the day.

 For more information, check out this article from Harvard Medicine discussing all the ways that sleep affects children's growth and development, and this website about how sleep works.

Parents and caregivers are essential partners in promoting good attendance!

Here are some strategies that can help:

- Set a regular bedtime and morning routine and help your child maintain daily routines, such as finishing homework and getting a good night's sleep.
 Teenagers need 8-10 hours and elementary students need 9-12 hours of sleep every night!
- Check out this article about why teens struggle to get enough sleep and how parents can help.
- Here's an <u>article from the NY Times</u> with suggestions on how to wake up earlier.

We're here for you! If you have any questions or concerns about your student's attendance, please contact our school office.

### Be A Mentor:

**Volunteer Clearance - Reminder - NEW REQUIREMENTS** 

We ask all of our parents/guardians to register w/ Be A Mentor for level #1 - general volunteer. This clearance will allow you to be on campus and/or in the classroom with the children.

Here is the link to sign up. **Be A Mentor** Click on the New Volunteers Apply Now on the bottom right side of the page.

We are sharing important updates regarding the SRVUSD volunteer clearance process for the 2025-26 school year, specifically related to background checks, online training requirements, and associated fees. SRVUSD continues to partner with **Be A Mentor (BAM)** to manage volunteer clearance. This message is being shared with all current parents and caregivers, regardless of previous or current clearance status.

#### **New Background Check and Training Requirements-**

In alignment with <u>California State Assembly Bill 506</u>, effective July 1, 2025, all volunteers will be required to complete a Livescan fingerprint background check as well as mandated reporter and sexual harassment prevention training to be eligible to volunteer for the 2025-26 school year. Once fingerprinted for SRVUSD, volunteers will not need to repeat the process in future years.

Current Level 3 volunteers cleared through BAM: no action is required for the background check. Annual online training is required, and a current DMV driving report must be uploaded.

Current Level 1 and 2 volunteers: You will receive an email from BAM prompting you to complete the new requirements.

Volunteers must complete all requirements before working at fall registration, classroom assignments, and all 2025-26 school events. Volunteers in the BAM system who have not completed all requirements will be unable to volunteer until clearance is complete.

<u>New Volunteers</u>: Level 1 volunteer or Level 2 volunteer, with driving: Please submit your <u>volunteer application</u> through BAM to begin the clearance process.

Effective July 1, 2025, volunteers will be classified as Level 1 (cleared for all events, no driving) or Level 2 (cleared for all events, including driving). Current Level 3 volunteers will be reclassified to Level 2.

#### <u>Livescan Fingerprint Fees;</u>

Effective immediately, all applicants and volunteers—regardless of clearance level—will be responsible for covering the full cost of their Livescan fingerprinting through a service provider of their choice.

For full details on <u>volunteer requirements and the clearance process</u>, please refer to the <u>SRVUSD Volunteer Handbook</u>, <u>District webpage</u>, and the <u>SRVUSD Volunteer Requirement FAQ</u>

Note: A TB test assessment is also a requirement. The TB test assessment is good for 4 years. The risk assessment form is to be completed by your doctor. You will need to upload, to your Be A Mentor account, either the completed risk assessment form or the negative TB test result form from your doctor.

# **Shark Fund Updates**

Thank you to all of the parents that have completed registration so far! We are 60% to our goal, but need 100% participation! The \$675 suggested donation stays here at Sycamore and allows us to support each student and each classroom with para hours, which is incredibly valuable! Not every school in our district is able to do this - we are able to provide this because of your donations!

Any donation amount is greatly appreciated and remember, registration is where you also buy yearbooks, complete directory information, and make the classroom donation. Please login and complete today!
