You'll have the opportunity to learn about majors, admissions, student life, and transfer requirements, plus there will be **campus tours and a complimentary lunch!**

If you're interested in exploring your college options, **stop by the Counseling Office to sign up by TODAY Thursday September 17th.**

Here's this week's reminder: **You don't need the perfect words to check on someone.**

If you're worried about a friend, it's okay to simply say, "Hey, you haven't seemed like yourself lately. Are you okay?"

And if someone tells you they're struggling, you don't have to handle it alone. Listen to them, take them seriously, and help them connect with a trusted adult.

Sometimes the most important thing you can do for someone is remind them that **they don't have to go through it alone.**
