Chico High Bench Refurbishment and Rehabilitation

Hey Panthers! Tired of looking for open benches at lunch, just to finally find one and the boards are missing? Have you seen one of the benches in disrepair here on campus and been tired of it? Good news!

I'm undertaking the task of campus restoration and rehabilitation for my Eagle Scout project as a member of Chico's Boy Scout Troop 3. I'm going to replace all of the broken and missing boards on the benches on campus, including the two completely empty ones over by the S-building. I'll also be improving the area around the bench in the second photo, but I can't do all this by myself.

I'm asking for donations, any of which would be greatly appreciated. For those willing to donate, please put your donation in a sealed envelope, labeled "Zach Norlie - Boy Scout Troop 3". Checks can be made out to Boy Scout Troop 3 as well. Physical materials such as boards can also be donated, so reach out to me at znorlie842593@gmail.com to discuss the donation of materials!

Thank you for your time and consideration,
Zach Norlie

Chico High Bench Refurbishment and Rehabilitation

Hey Panthers! Tired of looking for open benches at lunch, just to finally find one and the boards are missing? Have you seen one of the benches in disrepair here on campus and been tired of it? Good news!

I'm undertaking the task of campus restoration and rehabilitation for my Eagle Scout project as a member of Chico's Boy Scout Troop 3. I'm going to replace all of the broken and missing boards on the benches on campus, including the two completely empty ones over by the S-building, at the end of the school year. I'll also be improving the area around the bench in the second photo, but I can't do all this by myself.

I'm asking for donations, any of which would be greatly appreciated. For those willing to donate, please put your donation in a sealed envelope, labeled "Zach Norlie - Boy Scout Troop 3". Checks can be made out to Boy Scout Troop 3 as well. All of such donations can be dropped off at the front office with Office Manager Terry Barth-Duch. All donations must be submitted by the end of April!

Chico High Bench Refurbishment and Rehabilitation

Hey Panthers! Tired of looking for open benches at lunch, just to finally find one and the boards are missing? Have you seen one of the benches in disrepair here on campus and been tired of it? Good news!

I'm undertaking the task of campus restoration and rehabilitation for my Eagle Scout project as a member of Chico's Boy Scout Troop 3. I'm going to replace all of the broken and missing boards on the benches on campus, including the two completely empty ones over by the 5-building, at the end of the school year. I'll also be improving the area around the bench in the second photo, but I can't do all this by myself.

I'm asking for donations, any of which would be greatly appreciated. For those willing to donate, please put your donation in a sealed envelope, labeled "Zach Norlie - Boy Scout Troop 3". Checks can be made out to Boy Scout Troop 3 as well. All of such donations can be dropped off at the front office with Office Manager Terry Barth-Duch. All donations must be submitted by the end of April.

Thank you for your time and consideration,
Zach Norlie
Chico High Student & Life Scout
