

MVHS Incoming 9th Grade Night
Monday, March 9th 2026
4:30 - 7:00 pm

Class of 2030 Students and Families,

You are invited to Monte Vista High School’s annual Incoming 9th Grade Night on Monday, March 9, 2026! This event helps introduce current 8th grade families to the Mustang life and provides resources to foster a smooth transition from middle to high school. Join us to learn more about programs, classes, and extracurriculars that MV has to offer!

To RSVP and ask questions about what to expect in high school, please fill out the form linked below. We will be sending out additional event details in the coming weeks. We look forward to meeting you soon!

**Information sessions for some of our special programs will be held at 4:00 pm, prior to the Welcome Activities.*

AVID: This session is optional and open to any 8th grade families who are interested in learning more about the AVID program. Click [here](#) for more details!

EL & SPED: These sessions are only available to families with 8th grade students who are currently enrolled in SPED and/or EL programs at their respective middle schools. More information about these sessions will be sent out in the upcoming weeks. Stay tuned!

Welcome Activities (optional): 4:30 - 5:15 pm

- **Check In & Campus Tours:** Get familiar with the MV campus! Upon arrival, MV student leaders will lead small groups of incoming students and families on a tour around campus.
- **Table Fair:** Learn more about student clubs, parent/caregiver groups, elective courses, & athletic programs, as you browse the table booths.
- **Food Trucks:** Bring your appetite! Food trucks will be parked in the horseshoe with items available for purchase.

Student Life Showcase: 5:30 - 6:00 pm

Monte Vista has a diverse and vibrant student community. Enjoy student performances from various elective programs and extracurricular groups!

Counseling Presentation: 6:10 - 7:00 pm

Transitioning to high school is both exciting and overwhelming. You will gain an overview of academic, elective, athletic, and extracurricular programs and learn more about graduation requirements and the course selection process. We’ll talk about academic and social-emotional resources available to students and ways to maintain healthy balances.
