LEGAL SERVICES OF NORTHERN CALIFORNIA ("LSNC")**

The City has determined there are sixteen (16) people camping at this location. Of those people, one (1) has been assessed during a prior enforcement operation. The City has determined there are fifteen (15) people camping at this location. Of those people, four (4) have been assessed during a prior enforcement operation. Those four (4) persons should not be included in the count because they have already refused shelter or have been exited from a shelter due to behavioral problems. Further, there are fourteen (14) abandoned or unoccupied campsites at this location.

Location of Public Property 3: The bike path between Burnap Avenue north to East Lassen Avenue, as indicated on the attached Bike Path Map.

The City has determined there are two (2) people camping at this location. Of those people, one (1) has been assessed during a prior enforcement operation. Further, there are eight (8) abandoned or unoccupied campsites at this location.

The City will provide the "7-DAY NOTICE OF CLOSURE OF PUBLIC PROPERTY/ENFORCEMENT OF CAMPING ORDINANCES" to all Homeless Persons at this location on November 10, 2025. *Further, the City requests LSNC meet with the Target Team to verify counts and confirm the location of enforcement prior to November 10, 2025. If LSNC disagrees with the City's count and contends there are too many people camping at these locations than there are beds available, the City proposes beginning enforcement operations and will stop enforcing on persons at this location who cannot enter shelter because one of the shelters has become fully occupied.*

The City has determined there are twenty-eight (28) available Pallet Shelters. Six (6) of those Pallet Shelters are available ADA units.

The City has determined there are sixteen (16) available beds at the Torres Community Shelter. Five (5) of those beds are in the men's dorm, eight (8) are in the women's dorm, and three (3) are in the overflow dorm.
