Please submit this form WITH the standard AP Registration form + payment

Students who are either enrolled or eligible to participate in the Federal Free or Reduced-Price Lunch Program qualify for the AP Exam fee reduction on each AP exam or portfolio they complete in a given year. Students are eligible for the Free or Reduced-Price Lunch Program if:

- Their family's income is at or below 185% of the poverty level issued annually by the U.S. Department of Health and Human Services, or
- The students are directly certified without application for free school meals because they are:
 - In foster care of Head Start, or
 - Homeless or migrant, or
 - Living in households that receive SNAP/Food Stamps, TANF cash assistance, or the Food Distribution on Indian Reservations benefits.

The following table lists annual family incomes, by family size, at 185% of the poverty level. If the AP student's family's income does not exceed the amount listed in the column below, that student qualifies for an AP Exam fee reduction.
