INSTRUCTIONAL COACH

- Brie Buckler has joined our team as our Instructional Coach, providing support across all three school sites.
- Her initial focus includes math intervention, student writing, classroom engagement, lesson planning, and social-emotional learning strategies.
- Brie will provide classroom support and individualized coaching to strengthen instruction and student learning.
- Initial teacher feedback has been very positive, with staff expressing enthusiasm about the additional support and opportunities for collaboration.

PROFESSIONAL DEVELOPMENT

- MTSS Conference: Brie and I attended the MTSS Conference in July, focusing on data-driven interventions, progress monitoring, and academic, behavioral, and social-emotional supports for students.
- EduProtocols Conference: Mrs. Alexander attended the EduProtocols Conference and shared strategies with staff from all three sites during our back-to-school in-service. She continues to support implementation by creating monthly EduProtocols and providing teachers with resource binders and ready-to-use templates.
- PLC Conference: Mrs. VonTour attended the PLC Conference, focusing on effective teacher collaboration, essential standards, student data, and systems for providing intervention and enrichment.
- Innovative Schools Discipline Conference: Our administrative team attended this conference to learn current research and practical strategies related to student development, engagement, well-being, discipline, and posit
