Teacher Script	Slide 18: returning to discussion from last week regarding language of “risky behaviors” to include “vaginal, oral, and anal sex.” The language in question is specifically about including “anal sex.” The TEKS ask the students to describe modes of transmission. The slide language is medically accurate and part of CTB’s core message. A suggestion was made to reword to read “sexual contact with penis, anus, vagina, or mouth.”	<p>After extensive discussion, Ben moves to vote yay or nay to rewording this statement. Diana seconds. 3 yay, 6 nay, one abstain.</p> <p>After further discussion, Ben calls for another vote to change language on slide 18. Diana seconds. 3 yay, 7 nay.</p> <p>*Note: only 2 district employees voted each time. Discounting these votes would not change the income.</p> <p>*Note: total, this discussion spanned two meetings and more than 2 hours.</p>	None.
	Slide 29, omit the transition into the activity. Keep the statement “When you	N/A	PE/Health will complete.
