What are my Delta Dental Network options?

The Delta Dental PPO plan allows you the option to visit any licensed dentist. You will usually save more on your out-of-pocket costs when you visit a **Delta Dental PPO** dentist. The **Delta Dental Premier** network also provides cost-saving features and is the next best option when you can't find a PPO dentist. Non-Delta Dental (Out of Network) dentists have no fee agreements with Delta Dental, so you will usually have the highest out-of-pocket costs when you visit a non-Delta Dental dentist. You are responsible for the difference between what Delta Dental pays and the dentist's fee.

How do I find a Delta Dental dentist?

To locate a Delta Dental dentist near you, check the dentist directory on the Delta Dental website (**deltadentalins.com**), which also provides a map to the dental office. Or, to hear or receive a faxed listing of dentists in your area, call **866-499-3001**. Follow the automated instructions to search for a dentist.

How does my Delta Dental incentive plan work?

Your dental benefit incentive plan is designed to encourage regular visits to the dentist to keep your teeth and gums healthy. Here is an example of how an incentive plan works. (This is the most common incentive plan. Check your benefits information for details of your particular incentive plan.)

First Year	Second Year	Third Year	Fourth Year
70%	80%	90%	100%
Percentage paid for certain benefits as long as you visit the dentist each year.			

What are my online resources?

The full Delta Dental website is a one-stop-shop for plan and oral health information. Also available in Spanish: **es.deltadentalins.com**.
