Calendar Development

DEIC

October 2, 2024

24 -25 Calendar Creation

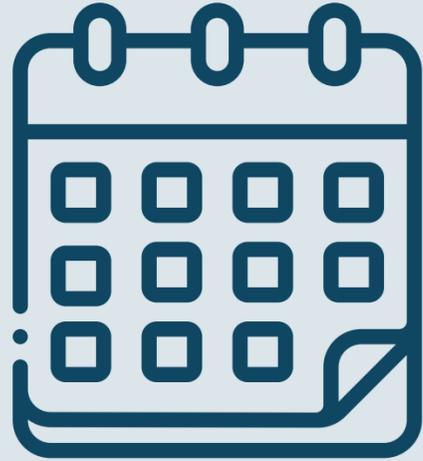

Process for the 25 -26 SY

NEISD District Scorecard Priority 1, Objective 1.3 our district will do the following:

- Survey stakeholders for calendar feature preferences
- District Calendar Committee will survey data to build calendar options
- Present options for stakeholder feedback
- Survey campuses to narrow the calendar options for top two calendars for district voting
- DEIC will review feedback and recommend a final calendar for board approval

Current Calendar

DAYS

177 Instructional
Days (Student)

187 Teacher Days

MINUTES

> 75,600 mins

PROFESSIONAL DEVELOPMENT

Embedded throughout
the school year

Stakeholder Survey Questions

How many instructional days would benefit our students the most in the calendar? (180; 177; No preference)

Please select when you would prefer the school year to start and end. (Early -August start and ends BEFORE June 1; Mid -August start and end the first week of June)

Please select the day you prefer the school year to start. (Beginning of week; Middle of Week; No Preference)

Would you like the late arrival or early release of students to be considered in the calendar to facilitate collaboration between teachers and review of student data? (Yes; No; No Preference)

What else would you and your family like us to consider when building calendar options?

Calendar Survey

Calendar Survey will **open** Thursday, October 3rd, and **close** on Monday, October 14
