**Quarterly PTSA Community Gatherings** - All are invited to these gatherings and there will be food, an opportunity to connect in person with other parents, some PTSA discussion of key school topics, and either an all-school open house or a parent education presentation.

**Sidewalk Coffee** - As part of our ongoing 'Joyful School' initiative, parents gather with teachers and members of the leadership team to have a cup of coffee and greet students as they enter the building. Come join us at 18th St.!

**Back to School Night** - An opportunity for all parents/guardians to move through the hallways as the students do, visit the academic classrooms, and introduce themselves to teachers. This event is intended for parents/guardians only. Back to school night also marks the launch of OSA's Annual Fund fundraising campaign.

**Open House** - An opportunity for families to connect with our school community, meet teachers, and see firsthand the incredible work students are doing. You'll have the opportunity to visit classrooms, explore student projects, and experience presentations that highlight academic learning at OSA.

**College Fair** - An opportunity for students to speak with representatives from different universities and colleges from all over the world to learn more about the schools offerings, how to apply, and how to ensure they are prepared to meet the qualifications for admission.

**Club Fair** - The Affinity/Club Fair is a student event at which all the clubs/groups showcase their activities, recruit members, and advertise when/where meetings are held.

**BSOC Camping Trip** - The BSOC Camping Trip is an event that is hosted to build POC community, connect students to Affinity Groups, reconnect students with the land, and have fun/celebrate the school year!

**Fox All School Show** - Since 2010 it has been a longstanding tradition for OSA to take the stage at the Fox Theater for an all school arts showcase. Though not all students perform, they all have a hand in the work leading up to the event. Each of our 10 arts pathways will be showcased at the event. More information coming in semester 2.
