Blood Drive

Blood reserves are at a critical low in Butte County. To try to help, the leadership class is hosting a blood drive on May 18th. Please add your name to the blood donor sheet in the front office. Be sure to take the permission slip with you - you will turn in that permission slip when you go to donate. Please be sure to check the weight requirements before signing up to donate.

Teachers and community members are also encouraged to sign-up, we're hoping to get a full sign-up sheet to support those in need!

Teacher Awards

Next week marks the start of National Teacher Appreciation Week. To show our appreciation for teachers, we're asking for your suggestions for teacher awards. Which teacher do you think is the best dressed? Funniest? Best taste in music?

Send in your nominations using the form in your school email. See which teachers are crowned winners next week! Be sure to check our @ghsleadership Instagram to see which teachers received the most nominations.
