WHAT IS MODEL UNITED NATIONS?

Model United Nations, or MUN, is a club where students can participate in a stimulation of a United Nations conference.

At each conference, students get the opportunity to experience debating global issues, give speeches, and draft resolutions. Our club empowers students to learn more about international relations and policy. Moreover, the Model UN program helps students develop their public speaking, critical thinking, and researching skills.

Each participant represents a delegate from a single country or a person, and presents their country's stance on the problems in which the committee must discuss, while also discussing possible solutions to that problem.

WHY DO MODEL UN?

- **WIN AWARDS!**
- **LEARN HOW TO BE A LEADER**
- **ANALYTICAL - PROBLEM-SOLVING SKILLS**
- **RESEARCH AND WRITING SKILLS**

Garden Club

We are excited to introduce you to our **Garden Club**, established in 2022! The club gives students a fun, hands-on opportunity to learn about plants, sustainability, and caring for the environment—all while helping to grow and maintain our school garden.

Our garden is a **Monarch Waystation Certified** site, providing a habitat for monarch butterflies and supporting local pollinators. Students in the club plant a variety of flowers, fruits, and vegetables, and take pride in watching their work grow and thrive throughout the year.

The Garden Club meets **every Monday after school for one hour**, and all students are welcome to join—no gardening experience needed!
