

Agenda Item Details

Meeting	Mar 05, 2025 - Regular Board Meeting of the Board of Trustees
Category	13. APPROVAL OF CONSENT AGENDA
Subject	13.22 Approval of the Filing of California Environmental Quality Act (CEQA) Notice of Exemption for the Carlmont High School Pool Stadium Lights Replacement Project
Type	Action (Consent)
Recommended Action	The Superintendent recommends that the Board of Trustees approve the filing of California Environmental Quality Act (CEQA) Notice of Exemption for the Carlmont High School Pool Stadium Lights Replacement Project

BACKGROUND

On June 26, 2024, the Board of Trustees approved a contract with CAW Architects for Architectural Services for the Carlmont High School Pool Stadium Lights Replacement. The design includes replacing the existing outdoor pole lights at the existing swimming pools. The current lights are designed for general outdoor ambient lighting on the pool deck and do not provide sufficient lighting for swimming competitions. The new lights will be approximately 45 to 50 feet tall and have multiple lamps illuminating the deck and the pool. Each pole light will have stand-alone concrete foundations.

In order to secure a permit, the District must establish that it has filed a Notice of Exemption (NOE) from the California Environmental Quality Act (CEQA). A CEQA evaluation was conducted and determined that we qualify for a NOE. Staff recommends that the Board of Trustees approve a notice of exemption for this work.

This notice of exemption is filed under Class 2(c), Sec. 15302(c), replacement or reconstruction of existing utility systems and/or facilities involving negligible or no expansion of capacity.

Contact Persons: Christine Gong/Narayan Naidu
