

after School Science Class

STE(A)M Classes for Kids

- Students will explore the connections between science, technology, and arts
- Learn through hands-on experimentation and real-world applications of scientific concepts
- Prepare for the future by developing critical thinking and problem-solving skills

**Critical
Thinking**

What We Teach

Teamwork

**Problem
Solving**

This Semester's Theme Secret Agent Academy

- "Secret Agent Academy" is a STE(A)M-focused after school class with a spy-themed curriculum.
- Students will learn about the science of encryption and code-breaking, as well as the physics of motion and energy. Students will also explore the world of forensic science, analyzing fingerprints, DNA samples, and other evidence to solve mysteries.
- The class aims to excite and inspire students about STE(A)M and encourage further studies in science and technology.
