Status: ADOPTED

Original Adopted Date: 07/01/2007 | **Last Revised Date:** 06/01/2025

Last Adopted Date: 10/15/2025

The Governing Board recognizes the value of district and school websites to communicate with students, parents/guardians, staff, and community members. The Superintendent or designee shall maintain district and school websites. The use of district and school websites shall support the district's vision and goals and be coordinated with other district communications strategies.

Design Standards

The Superintendent or designee shall establish design standards for district and school websites in order to maintain a consistent identity, professional appearance, and ease of use.

District design standards shall require an evaluation of products, features, and content accessible to students on district and school websites to prevent access to harmful or potentially harmful material.

The district's design standards shall address the accessibility of district and school websites to individuals with disabilities, including compatibility with commonly used assistive technologies.

Website Content

The Superintendent or designee shall develop content guidelines for district and school websites and assign staff to review and approve content prior to posting.

Board policy pertaining to advertising in district and school publications, as specified in Board Policy 1325 - Advertising and Promotion, shall also apply to advertising on district and school websites.

Privacy Rights

The Superintendent or designee shall ensure that the privacy rights of students, parents/guardians, staff, Board members, and other individuals are protected on district and school websites.

Telephone numbers and home and email addresses of students and/or their parents/guardians shall not be published on district or school websites.

OPTION 1: (Photographs released)

The district regards photographs as a category of directory information that would not generally be considered harmful or an invasion of privacy if disclosed. Therefore, a student's photograph, together with the student's name, may be published on district or school websites unless the student's parent/guardian has notified the district in writing to not release the student's photograph without prior written consent, in accordance with Board Policy and Administrative Regulation 5125.1 - Release of Directory Information.

OPTION 2: (Photographs not released)

Photographs of individual students shall not be published on district or school websites accompanied by the student's name or other personally identifiable information without the prior written consent of the student's parent/guardian.

If students' names are not included, photographs of individual students or groups of students, such as at a school event, may be published on school or district websites.

Employees' home addresses, personal telephone numbers, and personal email addresses shall not be posted on district or school websites.

The home address, telephone number, or both the name and assessor parcel number associated with the home address of any elected or appointed official including, but not limited to, a Board member or public safety official, shall not be posted on district or school websites without the prior written permission of that individual. (Government Code 3307.5, 7928.205, 7920.535)

No public safety official shall be required to consent to the posting on the Internet of the public safety official's photograph or identity as a public safety officer for any purpose if that officer reasonably believes that the disclosure may result in a threat, harassment, intimidation, or harm to the officer or the officer's family. Policy 1330: Use Of School Facilities

Status: ADOPTED

Original Adopted Date: 04/01/2013 | **Last Revised Date:** 09/01/2023

Last Approval Date: 10/16/2024

The Governing Board believes that school facilities and grounds are a vital community resource which should be used to foster community involvement and development. Therefore, the Board authorizes the use of school facilities by district residents and community groups for purposes specified in the Civic Center Act, to the extent that such use does not interfere with school activities or other school-related uses.

The Superintendent or designee shall give priority to school-related activities in the use of school facilities and grounds. Other uses authorized under the Civic Center Act shall be on a first-come, first-served basis.

For the effective management and control of school facilities and grounds, the Superintendent or designee shall maintain procedures and regulations that: (Education Code 38133)

1. Aid, encourage, and assist groups desiring to use school facilities for approved activities
2. Preserve order in school facilities and on school grounds and protect school facilities, including the designation of a person to supervise this task, if necessary
3. Ensure that the use of school facilities or grounds is not inconsistent with their use for school purposes and does not interfere with the regular conduct of schoolwork

Subject to prior approval by the Board, the Superintendent or designee may grant the use of school facilities or grounds on those days on which district schools are closed. (Education Code 37220)

There shall be no advertising on school facilities and grounds except as specified in Board Policy 1325 - Advertising and Promotion.

As necessary to ensure efficient use of school facilities, the Superintendent or designee may, with the Board's approval, enter into an agreement for the joint use of any school facilities or grounds. The Board shall approve any such agreement only if it determines that it is in the best interest of the district and the community.

Fees

The Board shall adopt a comprehensive schedule of fees to be charged for community use of school facilities and grounds, including, but not limited to, the multipurpose room(s), playing or athletic field(s), track and field venue(s), tennis court(s), and outdoor basketball court(s). The schedule of fees shall be prepared in accordance with 5 CCR 14037-14041. (5 CCR 14041)

The Board authorizes the use of school facilities or grounds, without charge, by nonprofit organizations and by clubs or associations organized to promote youth and school activities, including, but not limited to, Girl Scouts, Boy Scouts, Camp Fire USA, YMCA, parent-teacher associations, school-community advisory councils, and recreational youth sports leagues that charge participants no more than an average of \$60 per month. Other groups that request the use of school facilities under the Civic Center Act shall be charged an amount not to exceed direct costs determined in accordance with 5 CCR 14037-14041. (Education Code 38134)

Additionally, when any use of school facilities or grounds is for religious services, the district shall charge an amount at least equal to the district's direct costs. (Education Code 38134)

Groups shall be charged fair rental value when using school facilities or grounds for entertainment or meetings where admission is charged or contributions solicited and net receipts are not to be expended for charitable purposes or for the welfare of the district's students. (Education Code 38134)

Calculating Direct Costs

Direct costs to be charged for community use of each, or each type of, school facility or grounds shall be calculated in accordance with 5 CCR 14038 and may reflect the community's proportionate share of the following costs: (Education Code 38134; 5 CCR 14038-14041)

1. Capital direct costs calculated in accordance with 5 CCR 14039, including the estimated costs of maintenance, repair, restoration, and refurbishment of non-classroom space school facilities or grounds
2. Operational direct costs calculated in accordance with 5 CCR 14040, including estimated costs of supplies, utilities, janitorial services, other services performed by district employees

and/or contracted workers, and salaries and benefits paid to district employees directly associated with the administration of the Civic Center Act to operate and maintain school facilities and grounds

Direct cost fees shall not be discounted to any group or organization except when the discount is specifically authorized in the adopted fee schedule. (5 CCR 14041)

Expending Funds Collected as Capital Direct Costs

Any funds collected as capital direct costs shall be deposited into a special fund to be used only for capital maintenance, repair, restoration, and refurbishment of school facilities and grounds. (5 CCR 14042)

Use of School Facility as Polling Place

The Board may authorize the use of school buildings as polling places, or vote centers for election day. The Board may also authorize the use of school buildings, without cost, for the storage of voting machines and other vote-tabulating devices. However, if a city or county elections official specifically requests the use of a school building as a polling place, or vote center on election day and/or during the 10 days preceding election day, as well as during key dates necessary for drop-off, set-up, and pick-up of election materials, as determined by the elections official, the Board shall allow its use for such purpose. If school will be in session, the Superintendent or designee shall identify to elections officials the specific areas of the school buildings not occupied by school activities that will be allowed for use as a polling place or vote center. (Elections Code 12283)

When a school is used as a polling place or vote center, the Superintendent or designee shall provide the elections official a site with an adequate amount of space that will allow the precinct board to perform its duties in a manner that will not impede, interfere, or interrupt the normal process of voting and shall make a telephone line for Internet access available for use by local elections officials if so requested. The Superintendent or designee shall make a reasonable effort to ensure that the site is accessible to persons with disabilities. (Elections Code 12283)

The Superintendent or designee shall establish procedures to ensure student safety and minimize disruptions whenever school is in session while the facilities are being used as a polling place or vote center.
