The Hartland Early Learning Latchkey Position

The Hartland Early Learning Center is looking to add qualified staff to our Latchkey team! Positions will range for working with children ages 5-12.

Responsibilities include creating and maintaining a structured and safe environment for all children through positive interactions and fostering play. Applicants must be comfortable caring for multiple children at once in a busy environment. The chosen applicants will be ones who work well with other staff members, create positive relationships with children and parents, and understand best practices for early childhood development.

The latchkey program provides care for our school-age children before and after school. On some days when the district is closed, full day latchkey is provided and the longer days are available for staff.

Afternoon latchkey shifts are currently available and run from 3:45 pm (2:45 on Fridays) until 5:30/6 pm. The position may alternate between our program at Lakes Elementary and the main center in downtown Hartland.

Necessary training will be provided. Experience is preferred.

Please contact Jessica Pasienza at the Early Learning Center if you are interested in applying for one of these positions.
