We stand together to place each child at the heart of every decision

Dear AUSD Families,

As part of the Auburn Union School District's commitment to supporting early literacy, all 1st-grade and 2nd-grade students will participate in the Multitudes Reading Difficulties Risk Screener (RDRS) this year.

This assessment will help educators better understand your child's early reading development and will not be used to diagnose or label students. This valuable information helps teachers plan instruction, intervention, and support for each child's reading needs.

The screening will take place in December and will be administered one-on-one by trained AUSD staff members. Each session takes about 15 minutes and is designed to be engaging, encouraging, and developmentally appropriate for young learners. You will receive the results of your child's performance in January 2026.

If you have any questions about the screening or your child's reading progress, please contact your child's teacher. We look forward to partnering with you to continue supporting every student's growth as a confident reader.

Warm regards,

Educational Services Department
Auburn Union School District
