COLEMAN FISH HATCHERY

We are celebrating the "Return of the Salmon" by going on a field trip to Coleman Fish Hatchery on Friday, November 6 from 9:30-11am! The fish hatchery is located along Battle Creek, a tributary of the Sacramento River. They spawn and raise Chinook salmon and steelhead trout and each year produce over 13 million juvenile fish! We will go on a tour of the hatchery and after the tour you have the option to go on an educational 2-mile guided hike. They have an allotment of 75 participants, so be sure to get your permission slips in early. There is no fee for this field trip. Please see the attached flyer for details.

FALL FESTIVAL AT THE CREEK

Tomorrow is our annual Fall Festival here at the school from 10 am to 11:30 am.

Bring the whole family and come in costume for a morning of fall games, crafts and activities. However, we do ask that costumes be in good taste and not extremely scary or gory as this is a family friendly event. This is a free event for Cottonwood Creek family and friends and no permission slip is necessary. Parent Club arranged for a vendor to sell pizza.

PARENT CLUB

We are so proud of all the students who participated in our 11th Annual Jog A Thon! Orange slips came home with students with how many laps they completed so pledges can be collected. All money must be turned in on November 5th to be eligible for prizes. Thank you to all our volunteers who helped make this fundraiser a huge success! Thank you to Spotlight Movie Theater in Red Bluff for donating the popcorn for students to enjoy during the Jog A Thon. Our next meeting is November 3rd at 8:15 am in the cafeteria.
