Help Our Classroom Magicians Do More! Your ESF Impact

As the school year winds down, it is the perfect time to reflect on our incredible district. Our **leadership team and educators are truly magicians**, performing wonders in our classrooms daily and doing so much with so little to ensure our children receive a top-tier education. State funding only covers the bare minimum, meaning a public education may be free, but a truly great one is not. To see the impact of last year's donations to this year's schools **check out your schools attached flyer**. We are unfortunately on track to **fall short of our ambitious \$500,000 fundraising goal** for this year, but **it is not too late to move the needle**. A year-end donation today can directly protect these vital programs for our kids. As we map out our next steps, your voice is essential, so please take a moment to take the [community survey](#) - we want your input for this year's grant. Please reflect on our collective goals and **imagine what our classroom magicians could achieve** next year if more families join us in donating.

Donate today at esf4kids.org. Greenhills Flyer: [Greenhills & ESF](#)
