

***Reason, Respect, Responsibility (3R's) Program***  
***Hartland Consolidated Schools***  
***Parent Opt-Out Form***

Dear Parent/Guardian,

Hartland Consolidated Schools prides itself in teaching the important tenets of "Reason, Respect, and Responsibility" as part of our students educational experience. These tenets, and the skills needed to show them, are the backbone of what being a Hartland student is all about.

The 3R's program are monthly lessons at the K-6 grade levels directed at focusing students on the important skills needed to incorporate reasonable, respectful, and responsible behaviors in their daily lives. Parents are encouraged to view the content of the lesson slides that will be presented in your child's classroom.

As the parent/guardian, if you choose to excuse your child from participating in the lessons, please fill out the information below and return to your child's principal.
