

**Child Nutrition Services Announces**  
**FREE BREAKFAST AND FREE LUNCH MEALS**  
**for all Enrolled Students for the 2026-27 School Year**

Beginning in school year 2022-2023, and continuing through school year 2024-2025, California became the first state to implement a statewide Universal Meals Program for school children. Education Code 49501.5 requires public school districts, county offices of education, and charter schools serving students in grades TK-12 to provide two meals free of charge (breakfast and lunch) during each school day to students requesting a meal, regardless of their free or reduced-price meal eligibility. Meal applications will not be needed to receive the free daily breakfast and/or lunch meal.

Although meals will be free for all, the state continues to require school districts to distribute and collect free/reduced-price meal applications. Free/reduced-price meal applications allow the district to collect essential data needed to qualify for additional school funding intended to support academic programs for your student. Additionally, free/reduced eligibility can qualify households for things such as discounted internet services, P-EBT benefits, discounted rates on your energy bill, and more. Households are encouraged to apply online at [www.myschoolapps.com](http://www.myschoolapps.com).

Here in the Child Nutrition Services Department, we go a step beyond to ensure your child is getting the most health conscious and appealing food we can provide. All items we serve are made with whole grains. We serve only 100% beef and chicken products, with no fillers, by-products, or textured vegetable proteins. We are also continuing to offer over 80% organic produce on all school site salad bars! For a better understanding of our program, school site menus, and what we have to offer, please visit our website [here](#). The "Why Eat School Lunch" Brochure on the website is a great resource to understand our regulations for the program because we can't just serve anything!

At the Elementary School level, each student will be able to come through the line and get one free breakfast and/or lunch meal per day. This includes the choice of one entrée, one milk, and whatever fruits/vegetables they would like from the salad bar. Breakfast will be served from 7:40am-8:00am while school is in session. Only those students receiving breakfast may enter the school grounds before the gates open.

For TK, students will have an ID card that they will receive daily from their teacher prior to entering the café and will scan it at check out to receive their free meal. For Kindergarten and 1st grade, students will enter the last 4-digits of their student ID number into pin pad to receive their free meal. For grades 2<sup>nd</sup> through 5<sup>th</sup>, they will use their 8-digit student ID number that will be entered into a pin pad to receive their free meal.

We will also be offering a Second Chance Breakfast at recess and snack time for those students who need it. This will only be for those students who did not receive breakfast prior to school starting.

At the Middle and High School level, each student will enter in their student ID number into a pin pad to get their free meals daily. There is a nutrition break where students may purchase a la carte items, such as snacks and drinks, using their pin number or cash. The lunch period also has a la carte items along with the featured lunch specials. A la carte snacks will be denied if there is no money or a negative balance on the student's account.

Second meals will be allowed for purchase at the Middle and High School level at the end of service if meals are still available. This will ensure that all students are able to get a first meal if they desire. If students are still hungry, the salad bar is buffet style and they may go through the line again for unlimited fresh fruits and vegetables. Please note, packaged items are not unlimited or buffet style.

Payments for a la carte sales may be made by cash or check in the "CNS Deposit" box at each of our school offices. For your convenience, credit card charges can be made online by logging on to [www.myschoolbucks.com](http://www.myschoolbucks.com) and setting up an account. This system has changed over from EZschoolpay.com for the coming school year. If there was a balance on your student's account from last school year, it has already been transferred to the new system. However, you must register for MySchoolBucks to continue adding money to your student's account. Here, you can view your child's account balance anytime and receive reminder emails. In addition, those who have a smart phone can download the MySchoolBucks app to make payments and check balances for your child's meal account even easier.

We hope you enjoy what we have to offer and please feel free to contact me with any questions you may have.

Sincerely,

Charity Campbell, MS, RD, SNS  
Director, Child Nutrition Services

## USDA Nondiscrimination Statement

In accordance with federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its agencies, offices, employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity, in any program or activity conducted or funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary by program or incident.

Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotope, American Sign Language, etc.) should contact the state or local agency that administers the program or contact USDA through the Telecommunications Relay Service at 711 (voice and TTY). Additionally, program information may be made available in languages other than English.

To file a program discrimination complaint, complete the USDA Program Discrimination Complaint Form, [AD-3027](#)  (PDF), found online at How to File a Program Discrimination Complaint and at any USDA office or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call 866-632-9992. Submit your completed form or letter to USDA by:

1. mail:

U.S. Department of Agriculture  
Office of the Assistant Secretary for Civil Rights  
1400 Independence Avenue, SW, Mail Stop 9410  
Washington, D.C. 20250-9410;

2. fax:

202-690-7442; or

3. email:
