Communications Student Media Release Form

During the school year, opportunities arise to provide positive information and publicity about our students, programs and events to the general public or specific audiences. In some cases, we may receive requests from external news media or professional persons to interview, photograph, and/or film students for news, publications, television or radio broadcasts. NEISD may also interview, photograph and/or film students for internal District communications, including videos, website, publications and social media.

Permission is needed for your child to be the subject of any internal or external news media publicity. Please sign this form and return it to the school, where it will be kept on file for future reference.
