A MESSAGE FROM OUR PRINCIPAL, MRS. NUNEZ

Dear Vinci Park Families,

I hope you are enjoying the beauty of the fall season. This month brings important opportunities for connection and reflection as we continue our strong start to the school year.

It has been wonderful visiting classrooms and seeing students engaged, joyful, and settled into their routines. I hear teachers celebrating students' efforts and students encouraging one another every day. If a staff member goes above and beyond for your child, I would love to hear about it—your appreciation truly matters.

As winter approaches and the semester winds down, please continue supporting strong, consistent attendance. Daily participation helps students make essential academic progress. Of course, if your child is ill, we understand.

Our staff and students have accomplished so much in nearly 67 days of school. Teachers have been engaged in professional learning focused on meaningful conversations, collaboration, and rigorous instruction. With small-group instruction, FOSS science, and SEAL strategies, we remain committed to high expectations and deep learning for every child.

Wishing you and your family a healthy, joyful start to the holiday season. Thank you for your ongoing support and partnership.

Warmly,
Parisa Nunez
Principal, Vinci Park Elementary School
