Sycamore Valley Elementary Shark Bites Newsletter

**Message from Principal Kawahara
June 04, 2026**

Dear Sycamore Valley Families:

Another year is in the books! It has been a great year with a lot of growth. We know we could not do what we do with such success without your support. From getting students here on time, helping with homework and special projects to volunteering in so many different ways - your support and partnership has been critical in fostering connections and student success.

This summer you will receive information regarding the annual update. Be sure to complete this in your parent portal between August 1st and August 13th. You will also receive information by email regarding the Sycamore registration process through your Future Fund account.

Site Council - Reminder

For our 26/27 Site Council we will need 1 new Parent Representative and 2 Alternate Representatives to serve for a 2 year term. Site Council reviews progress to goals, provides input on the development of new goals for the School Plan for Student Achievement and the Comprehensive School Safety Plan. The Site Council typically meets five times throughout the school year. If you are interested in being a Site Council Member, please submit your Bio with details as to who you are and why you would like to be a Site Council Member. Bios should be emailed to Barbara in the school office (BJones1@srvusd.net).

Thank you and have a great summer,
Patricia Kawahara

PTA Leadership Roles

Join PTA Leadership for the 2026-2027 school year!

Dear Sycamore Families,

As we look ahead to the 2026–2027 school year, we are hoping to fill two key leadership roles in the coming weeks so we can begin planning for another successful year at Sycamore.

A brief overview of our open leadership roles is below:

1st Vice President – Health & Wellness

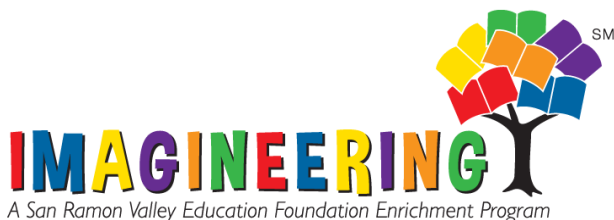

Leads a dynamic group of programs focused on student well-being and healthy habits. This role oversees committees including Emergency Preparedness, Red Ribbon Week, Vision and Hearing Screening, Sharky Fit Club, and our growing STEAM program—bringing engaging and meaningful enrichment opportunities to our students.

In addition to these leadership roles, there are several committee and program positions available as well. If you're interested in getting involved or would like to learn more about opportunities that match your interests and availability, please reach out to our Parliamentarian, Erin Meyer, at parliamentarian@sycamorevalleypta.org.

We are so grateful for the incredible parent community at Sycamore and look forward to welcoming even more volunteers to the team.

Thank you for helping us continue to build such a vibrant and supportive school community for our students!

Warmly,
Your Sycamore Valley PTA

SRVEF's - Discover the Joy of Music This Summer!

Does your child dream of playing an instrument? This summer is the perfect time to begin!

New this year, Imagineering is excited to offer Beginning Band and Beginning Strings for incoming 5th and 6th grade students with little to no instrumental music experience, just a willingness to learn, explore, and have fun making music. Students who already have some experience can continue building their skills in our Advanced Band and Advanced Strings classes, designed to help young musicians grow in confidence and ability while playing alongside peers who share their passion for music.

Whether your student is picking up an instrument for the very first time or ready to take their musical talents to the next level, these engaging classes provide a supportive and inspiring environment led by experienced SRVUSD educators. Music education helps students build creativity, discipline, teamwork, and confidence, all while having a great time. **Families are also invited to celebrate their students' progress at a special performance following the final class on Thursday!**

Spaces are limited, so don't miss the opportunity to let your child discover the power of music this summer!

Dates: Monday-Thursday, June 15-18, 2026

Time: 9 am to 12 noon

Location: Gale Ranch Middle School

Grades: Incoming 5th and 6th grades
