

CADY

Class of 2027

Your Moment in the Spotlight is Here!

The first step of your senior year is your senior portrait session. This experience is designed to be more elevated than prior school pictures for a reason. Senior portraits celebrate a once-in-a-lifetime season, and we want every student, now a soon-to-be senior, to feel seen and celebrated.

We are excited to partner with CADY for senior portraits. For more than 25 years, CADY has served schools with a distinctive approach to senior photography, combining beautiful studios, premier customer service, and the artistry to capture each senior's unique story.

We believe CADY is the right fit for our students, and we cannot wait for you to experience what they do. To kick off your senior year and senior portrait experience, it is important that we know how you want to receive information about senior portraits. [Please click this link to validate your student's information.](#)

Once you update your contact information, you will receive all important communication about booking your senior portrait session!

Our goal is simple: every senior represented in the yearbook. CADY is our trusted partner in making that happen, and you will receive communications from their team to guide you through each step. CADY is our exclusive senior portrait photographer to give the senior portrait section of our yearbook a cohesive feel. Only senior portraits from CADY will be included in the yearbook.

CADY is different by design. To help you prepare, here is what to expect for your senior portraits this year. We cannot wait for next school year, and we have a feeling it will be one of the best.

Senior Portrait Information

Sitting Fee

Your portrait session starts with a required sitting fee for the base experience. This fee covers the enhanced photography experience. Prints and digital images are purchased separately, so you can choose exactly what you want after you see the proofs.

CADY provides a \$30 coupon with your proofs, which can be applied toward the purchase of any photo package.

Inclusion in the Yearbook

CADY takes care of submitting the senior portraits to the school for inclusion in the yearbook. After your session, you will receive a link to review your photos and choose which photo will be included in that file transfer from CADY to the yearbook staff.

Photos must be selected by the deadline!

Senior Proofs

Senior proofs will be mailed home in a leatherette viewing portfolio. After viewing, you have the option to keep the portfolio for \$99 with any package or purchase it as a stand-alone option with all proofs for \$199. A postage-paid return label is included. If you decide not to purchase the portfolio, it must be mailed back to CADY to avoid being billed.

Senior Session Options

CADY offers a wide selection of senior portrait sessions, from entry-level to Elite options. As a senior, you are only required to select an entry-level session that includes your yearbook scene and Cap & Gown scene. CADY offers enhanced sessions to showcase the senior year, and some families choose to spend \$1000+ on higher-priced options. These often include premium features like a 1:1 photographer, hair and makeup, and other personalization, which seniors have historically used when hiring a private photographer.

Any expenditure beyond the base session is a matter of personal choice and is not required. CADY's senior portrait website offers the full range of options, allowing families to choose the experience that best suits their preferences.

Senior Sessions at a Studio or on Campus

CADY provides an elevated studio experience for seniors with dates available all throughout the week, versus just a few select days on campus. This approach gives you more flexibility both over the Summer and Fall to book your session in one of their state-of-the-art studios for the best experience. Sessions are booked through the CADY website. If an on-campus option is available, it will be listed when you select your date and time while booking online.

It's time to celebrate all you have accomplished and what makes you uniquely you. We are incredibly proud of you, as are your family and friends. Make the most of every moment this year.

You have earned it!
