Homework: Please check your child's orange folder for notes & graded work. Homework is handed out each Friday and collected the following Friday. **The first week's homework will be completed together in class.**

Students need to read 20 minutes every day! This doesn't have to be done in one setting. They can read for 10 minutes before school and another 10 before bed. Help your student figure out the best schedule so they can read at the same time(s) each day! Be sure to initial their reading record!
