## IMPORTANT UPDATES

### SEIS GRADUATES EXITS

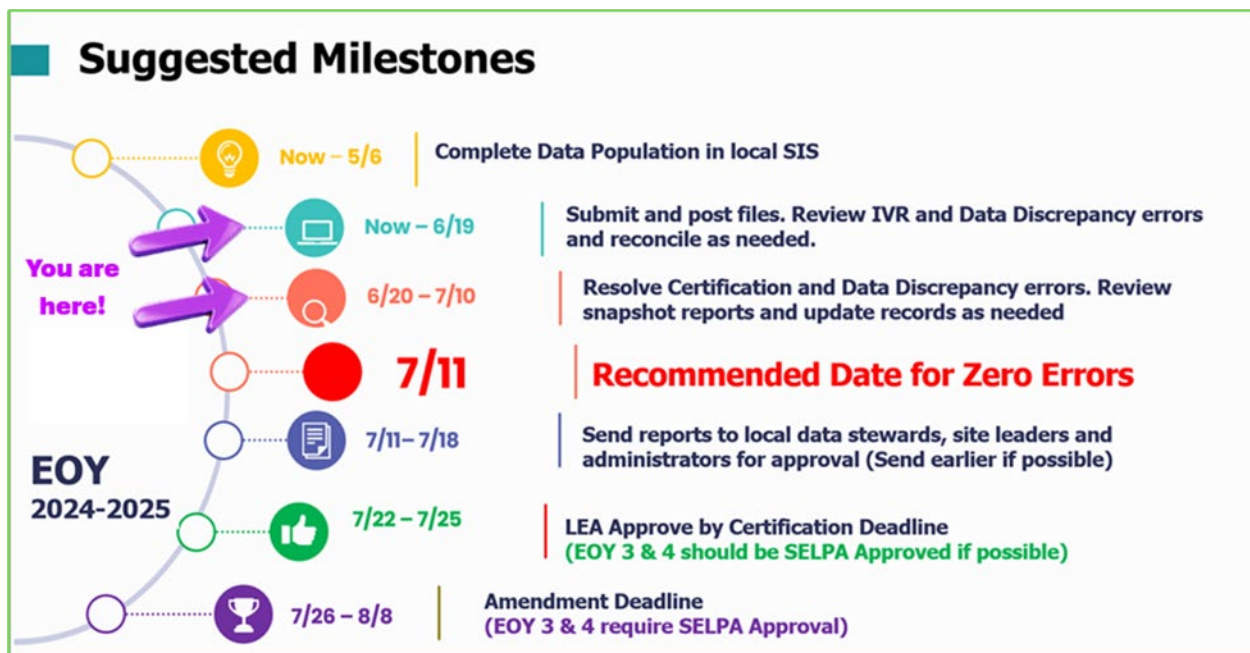

Students with disabilities (SWD) graduating with a standard diploma **MUST** have their “exit date in SEIS” **the day after** their graduation day (as reported to CALPADS). Failure to exit a SWD that received a standard high school diploma after the day they graduated will directly impact your high school cohort and your California State dashboard results.

### Alternative Pathway to diploma graduates

High school students with disabilities that are graduating with an Alternative Pathway to a diploma should use an exit code 71 (High School Completer - Student left high school after completing their academic program. This includes students who graduated from high school with a certificate of completion or other than diploma, or received a high school completion/achievement certificate through GED or the requirements of EC 56390)

### CALPADS End of Year (EOY) 3 and 4 Certification

To ensure that all enrollments for students with disabilities are exited appropriately, LEAs should certify EOY 3 and EOY 4 with the same snapshot date and time.

Our goal is to have LEAs “SELPA Approved” by the first certification deadline of July 25, 2025. Please find our EOY checklist [here](#).

## Transition to Regional Workgroup Model for 2025–26

In 2025-26 the SELPA is moving to a Regional Workgroup model, which includes the re-assignment for Program Technicians. To maintain continuity, Program Technician's LEA caseloads will remain the same through End of Year final deadline, August 25<sup>th</sup>, 2025. Once EOY has closed, your LEA will receive an introduction to your new Program technician and any technical instructions to complete the transition.

### Exit Students

Ensure all students who will not be attending your LEA in the 25/26 academic year have been exited with the appropriate code before July 1<sup>st</sup>.

### Postsecondary Report

Submit your postsecondary report once all data has been entered into SEIS. SELPA cannot SELPA approve without postsecondary submitted. Be sure to remind this year's graduates that you will be contacting them next year for postsecondary status.

## Manage SEIS Users

Audit all SEIS user accounts for users who will not be returning next academic year.

**Please wait until July 1st to add students for the upcoming school year in SEIS**

Adding them early may cause adoption transactions to post to the wrong academic year.

## Unaffirmed Meetings

No meetings should be left unaffirmed, except for initials.

**We are excited to welcome our new Program Technician, Joe Enright.** Joe is joining us with an extensive background in operations management and customer service. He's an improver by nature, with specific experience in predictive data-driven decision making.

## QUESTIONS FOR CALPADS?

CALPADS holds **Special Education Data Office Hours** weekly on Mondays at 3:00 PM. Register [here](#), and access past PowerPoint presentations [here](#).

**Find the CSIS Training Channel [here](#)**

This site contains all CALPADS virtual presentations for all data reporting

## EVENTS & TRAININGS

**We offer virtual, in-person training  
and events throughout the year!**

The Events & Training catalog  
can be found [here](#).

### SEIS VIRTUAL TRAININGS

SEIS is the Special Education Data System used by the El Dorado SELPAs. Our training provides a technical and programmatic understanding of SEIS for each user level.

Explore our YouTube [Video Training Library](#). It is filled with valuable tutorials designed to enhance your skills and knowledge in SEIS and CALPADS data reporting.

**Subscribe today!**

**The SELPA has instituted a Service Request ticketing system. We invite Data Team service requests to be submitted via this email address: [selpadata@edcoe.org](mailto:selpadata@edcoe.org).**
