February 2026

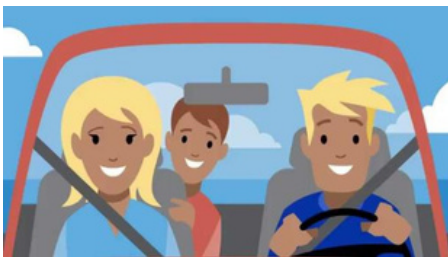

WE NEED YOUR SUPPORT

Our DVHS musicians frequently showcase their talents at events throughout the Bay Area. While these performances are valuable opportunities, rising transportation costs now consume a significant portion of our donations - funds that could better support students through clinicians, conferences, and instruments.

As performance season approaches, we need parent volunteers to help drive students to these events. Your support will both reduce costs and allow us to invest in enriching our music program.

To volunteer, please review [SRVUSD volunteering requirements](#) and sign up.

Thank you for helping our musicians thrive !

MUSIC SUMMER CAMPS

Make Music Your Summer Adventure! Summer music camps offer an incredible opportunity to deepen your musical journey - from local day camps to immersive residential programs across the country. Whether you're a beginning musician or an advanced performer, there's a perfect camp waiting for you.

Registration season is here! Talk to your music teacher about finding the right program to take your skills to the next level. Turn this summer into an unforgettable musical experience!

VOLUNTEER CLEARANCE

Student safety is our highest priority at SRVUSD. To ensure this commitment, we require all volunteers to obtain appropriate security clearance at one of these levels:

Level One: Cleared for all events, no driving clearance

Level Two: Cleared for all events, including driving clearance

The clearance process is essential but requires advance planning. Since we have many upcoming events and field trips, we encourage you to begin the process now by following these [instructions](#). By completing your volunteer clearance, we can ask for help when needed, making school-sponsored music outings possible. Thanks for your support!
