

ENTERPRISE HIGH SCHOOL

Behavior Flow Chart

Behavior Prevention Strategies

- Greet students at the door and welcome them to class
- Establish clear and consistent classroom expectations
- Create classroom agreements
- Adhere to classroom routines and procedures
- Ensure short transition times between activities
- Actively supervise
- Provide precise directions
- Consistently model positive conversations

Must Do Behavior Practices

- Contact a parent or guardian by phone or in email
- Enter behavior issues AND behavior interventions in Pre-referral Interventions
- Follow up with the student
- Remember that good kids make bad choices and our job is to educate them to make better choices in the future
