

Battle of the Bulldogs Recap

The Battle of the Bulldogs week went by in a flash! The seniors beat out the juniors by a handful of points for the prize of 20 minutes early for lunch last Friday. The week was full of mischief from the seniors and great memories were made by all.

The top 3 classes that fought for the prize were
Freshmen: 3rd place
Juniors: 2nd place
Seniors: 1ST PLACE

Can next year's seniors win it all or will this year's spirited freshmen class take the crown?
Time will tell!

NEW MUSIC!

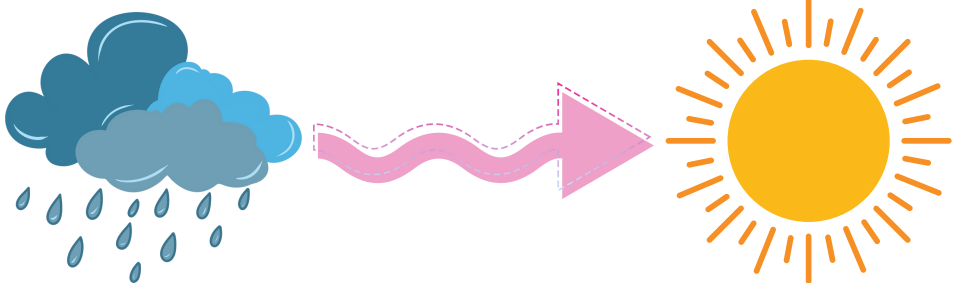

In case you've been under a rock after five long years, Playboi Carti finally delivered his well-anticipated album "I AM MUSIC" last Friday. This album showcases a variety of beats complimented by Carti's many different voices and artist features. This album is a mix of hip-hop, trap, and rage so if you need an energy boost check it out! Some tracks to check out are HBA, Rather Lie, Wake Up Filthy, Crush, and of course Evil Jordan.

Weekly Weather Report

Today, Thursday, keep your jackets handy as the cool weather clings for a few more days. But hopefully, on Saturday we'll get a glimpse of that giant beautiful star we call the sun, and we'll start to get some warmer temperatures.

This sparkling spring weather will stay until Tuesday when there is a chance the sunshine will be hidden away inside the castle of the clouds again. There's another chance for rain next week after the warmer temperatures so don't pack up your umbrellas just yet!

Did You Know?

Many of you have seen this man on your for you page at least once or more times yet not many know the name or the lore behind this image. Well to start this is a painting known as *That 2000 Yard Stare* painted by Thomas Lea in 1945. The painting displays a marine at the Battle Of Peleliu experiencing some kind of emotional detachment and disassociation. Lea's purpose for this painting was to depict the effects of war on a soldier which in this case is shell shock. Now you know the lore about this meme!
