It's the final Friday of 2025!

Today we finish out finals with Periods 5 and 6.

Today is a district-wide minimum day with school dismissing at 12:15 and buses arriving at 1:15. If you are a bus rider, please be sure you are at the bus loop by 1:00.

Students are not to be in classrooms or go to other classes if they are not on that class' roster. All students must have a pass to be out in the halls during class time. Also, there are no loaner Chromebooks for finals!

Happy Holidays from ASB Leadership! You've made it to your last day of finals! We hope you didn't get shook up! If you'd like to take your snow globe off the wall, please feel free! They will all be removed at the end of the day.

Attentions students, if you have any personal items in the Attendance Office, please make sure to take them with you today. Anything left behind after 2:00 will either be donated or thrown away. This includes sports equipment. Likewise, if you have food or drinks in your lockers, please dispose of them by Friday. Please do not leave food or drinks in your lockers over the winter break!
