

Bulldog Wins All Day Every Day

Congratulations to our varsity boys basketball team! They took home the W this past weekend at the 2024 Herb Jergentz Invitational. Make sure to support our boys this Thursday @ 7 pm against Salesian!

Congrats to our girl's varsity basketball team for putting up an outstanding fight against multiple teams last week during the LBHC. They took 4th place.

THE GIBT STORY

In 1953, John Valentino, teacher and coach at Gridley High School, put into action his idea of a school activity that involved many people from differing social, geographical and economical segments of Northern California. He organized and directed the first Gridley Invitational Basketball Tournament!

From the onset, the 3-day GIBT has had the reputation as a tournament that extends invitations to top California basketball teams. Valentino's plan then was an annual event that brought people together – visiting players living with Gridley families, allowing social barriers to dissolve as people of different races, religions and life styles became directly associated with one another on a daily basis. This pattern for cooperative behavior continues to work in the absence of Valentino who passed away early in 1984.
