

Transforming children's lives through music education since 1976

Music for Minors – School Launch Kit

Our school partners with [Music for Minors](https://www.mfm.org) (MFM), a nonprofit that has provided high-quality music education in Bay Area schools since 1976. Its sequential, standards-based curriculum is taught by trained music educators through weekly, engaging lessons. Students participate in singing, rhythm, movement, and instruments such as recorder and percussion.

Nearly half of MFM's programs serve under-resourced schools, ensuring equitable access for all children. Students build creativity, confidence, and teamwork — skills that enrich their learning in the classroom and beyond. Learn more at www.mfm.org/programs.
