WELCOME TO MOUNTAIN EMPIRE JUNIOR HIGH SCHOOL

The Redhawk

In the animal kingdom, the hawk is among the most intelligent of all birds. It has a broad and keen vision allowing it to see what the future holds. While it has a fierce reputation, it is also quiet and gentle. The hawk is a bird that appears in mythology and historical context in many cultures and time periods. There is a strong mythological belief that the hawk is a leader and is influential in many ways. The hawk's impact is everlasting.

Redhawk Vision

MEUSD Vision: Our mission is to support students and families by providing a high-quality, successful community of learning and growth.

Our Vision

At our junior high, we live out grit, grace, greatness, and gratitude every day—so every student feels supported, challenged, and proud of who they are becoming.

Our School Community

Community can be defined as a feeling of fellowship with others as a result of sharing common attitudes, interests, and goals. Our community is unique in that we bring many distinct and unique mountain communities together to form one Mountain Empire. **The purpose of this handbook is to familiarize students and parents with the rules, regulations, required courses, activities, and organization of Mountain Empire Junior High School.** With this information it is our hope that a better understanding of the policies of the school by students, parents, and faculty members will consequently result in better cooperation and closer harmony. We want each student to feel they are a citizen of our Mountain Empire school community.

Principal's Message

RedHawk Family!

Welcome RedHawks and our families. The purpose of this handbook is to provide parents, students, and our school community with easy access to information on our Mountain Empire Junior High School programs, policies, and activities.

As we look forward to the 2026-2027 school year, we will continue to focus on the social, emotional, and academic well-being of all of our students.

Today more than ever, our students will need us to build strong connections and relationships as they navigate through an increasingly challenging environment. I am committed to providing a school environment that is inspiring, engaging and relevant to our students. Together, we will continue to build a school where students feel connected and supported by teachers and staff. I look forward to meeting all of our RedHawk students and families as we embark on the 2026-2027 school year.

I look forward to reconnecting and getting to know those of you I have not yet met. Your support of Mountain Empire Junior High School is very much appreciated.

Please let us know how we may support you and your RedHawk student this school year.

Sincerely,

David Rios
Principal

Quarter System & Grading Periods

The MEJHS school year will utilize a quarter system model. This means our year is broken into four quarters. Each quarter, students will take up to four classes at 90 minutes per class.

Final grades and credits will be issued at the end of every quarter. Most classes will last for two quarters; students will have a different set of classes in Term 1 vs. Term 2.

*7th grade has the exception for Math and English which they will have all year long.

MEJHS is committed to increasing technology accessibility for our students in order to provide 21st Century learning opportunities. Students will be issued a Chromebook. Devices will be turned in over the summer so the district can maintain them. Do not place papers, pens, pencils, headphones, or other objects in between the screen and keyboard while closing the chromebook. As with all other school issued materials, ***students are responsible for any damage to the Chromebook.*** Also see the Technology Acceptable Use Policy at the end of this handbook for more information.

Designated Eating Areas

Students may only eat outdoors in the quad on the concrete areas. **Eating is not allowed in the halls.** Eating in classrooms is only permitted in inclement weather or by individual teachers.

Hallway Etiquette

Our school is unique in that we have students moving through hallways as they travel from class to class or to break times. Important things to remember about how to behave and conduct yourself while in the halls:

- A. Do not stand in the middle of the hallway to talk to friends; move to the side so others can pass
- B. Be mindful when others are using water stations that you don't run into their backpacks or them
- C. Always walk in the hallways; passing periods are long enough to get into any classroom from inside the building
- D. Do not stand in the entries and/or exits of any doors

Loss of Privileges

Failure to attend assigned detentions, having excessive tardies, and/or repeated discipline problems, may result in a loss of access to school activities, practices, and games. The loss of privilege can be assigned through a request from a teacher to a school administrator once home contact has been made about the reason for the loss of privilege or by a school administrator who includes the loss of privilege as a consequence.

Lost and Found

Lost and Found is located in the brown box on the quad patio. See Ms. Nancy or Ms. Mo for assistance.

Lunch and Break Boundaries

Students may only eat in designated quad areas. The hallways are not open before school or during lunch unless there is inclement weather. Students will wait to enter for the school day in the designated junior high quad area (North end of campus outside).

Medications

Students are not to self-dispense any medication while on campus or at a school function including over-the-counter drugs such as Tylenol, aspirin, cough drops, eye drops, etc.

ALL medications **MUST** have a doctor's prescription with a label. Any prescription medication must be checked in and kept with the front office staff immediately upon arrival on campus. Inhalers are the one exception; students should check in with the nurse regarding the inhaler so that it can be noted on their emergency card and they may keep it on their person.

Off Campus Passes

Mountain Empire Junior High School is a CLOSED CAMPUS; students may not leave without permission. Students that need to leave school during the school day must: check out through the Attendance Office, and be signed out by a parent, guardian, or emergency contact.

Restroom/Hall Passes

Restroom and hall passes will not be issued in the first 10 minutes or the last 10 minutes of class.

Students needing to use the restroom must be on time to class, allowing for roll to be taken and class to start prior to asking for the pass. Students should not be in the hallways without a pass.

The 10 minute rule is given an exception at the end of the last period of the day as students prepare to ride the bus home.

Search and Seizures

School officials have a duty to protect all students from the possible damages of contraband, such as weapons or drugs. Although student rights are of primary importance, when situations warrant, searches of vehicles, lockers, backpacks, purses, pockets and other personal belongings will be performed. "The legality of a warrantless search depends on the reasonableness under all circumstances of the search, including the following factors: whether the search was justified at its inception and whether, as conducted, it was reasonably related in scope to the circumstances that justified it in the first place," (New Jersey v. TLO, 1985).

ATTENDANCE INFORMATION

Attendance

Excellent attendance will be awarded every quarter! Students will be rewarded for excellent and improved attendance. Excused absences are listed in CA Ed Code 48205. Absences must be cleared by the **parent/guardian within five full days** or they will be considered truant. The parent/guardian must call the attendance office at 619-326-6662 ext. 320 or email monserrat.figueroa@meusd.org to report an absence. If you are unable to call, or email, a note signed by the parent/guardian **and** delivered to the attendance office is sufficient.

A student absent from school under CA Ed Code 48205 shall be allowed to complete all assignments and tests missed during the absence that can be reasonably provided and, upon satisfactory completion within a reasonable period of time, usually five days from the last date of absence, shall be given full credit. The teacher of the class from which a pupil is absent shall determine which tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the pupil missed during the absence.

It is a student's responsibility to talk with their teacher about what work has been missed.

Independent Study Plans

Independent Study Plans (ISPs) should be requested upon notice of a student absence. All parents sign a master agreement to allow their student to use an ISP with their registration paperwork at the start of the school year.

Step 1: School is made aware of a student absence for one to fifteen school days.

Step 2: The ISP is given to the student.

Step 3: The student completes the missing work within five school days of the end of the absence and gives it to the appropriate teacher.

Step 4: Teacher verifies the work was completed through samples and gradebook evidence and returns the ISP to the attendance clerk who updates the attendance to show the student completed the requirements for the day(s) missed.

Tardies

Tardies are when students are late to class without cause including time spent in a restroom without an adult being aware of their whereabouts. Being tardy interrupts class and delays learning. Being late to school or class is a bad habit, and shows a disregard for others. Students will be considered tardy if they are not in class prepared to learn when the bell rings. Some teachers may request students to be seated at their desk to avoid a tardy mark in attendance.

Students arriving late to school in the morning must check in with the attendance clerk before going to class. If a student is more than 30 minutes late to class without a valid excuse, the tardy will be marked as an unexcused absence.

If students are tardy, consequences will be as follows:

- **1st Tardy** - Verbal Warning and marked tardy in Aeries
- **2nd Tardy**- Home contact to discuss tardies with parent/guardian and marked tardy in Aeries
- **3rd Tardy and beyond:** Referral to VP for discipline which can include, but is not limited to, loss of school activity privileges and having an adult escort you to each class

Excessive tardies will be considered defiance and may result in loss of privileges and may result in a referral to consequences including alternatives to suspension.

ELIGIBILITY REQUIREMENTS

MEJHS expects 7th and 8th grade students to meet the following minimum standards of achievement and attendance to qualify for participation in non-academic school activities. Events occurring in Term 1 will use Term 1 grades for consideration, and events occurring in Term 2 will use Term 2 grades.

8th Grade Promotion

- **Academic Achievement:** Students must show passing grades for at least three of their four classes throughout each school term up to the last 2 weeks of a semester/grading period
- **Attendance Requirement:** Students must have 90% or better attendance per school year to participate in promotion.
- **Citizenship Requirement:** Students can only have O, S, N on their report cards.

Eligibility for Activities (including 8th grade Promotion)

The privilege of participating in activities, including promotion, is one that students earn. Students who do not meet the requirements may **not** be eligible for activities leading up to and including promotion. (Students and parents may request an appeal with the site Promotion Committee if they disagree with a decision about eligibility. The Promotion Committee will analyze the student's records and determine eligibility to participate in the activities and notify parent/guardians of the determination.)

Students with Individualized Education Plans will have their eligibility reviewed by their IEP team

- ◆ Students who receive 1 or more Fs in any classes recorded by the most recent progress report or report card OR earning an F in a current grading period up to 2 weeks prior to an event including promotion, may be disqualified from attending or participating.
- ◆ Students must have a minimum of a 2.0 GPA in order to participate in activities.
- ◆ Three or more referrals in one semester are considered excessive and will be cause for disqualification for activity attendance or participation.
- ◆ Any suspensions (in or out of school) totaling three or more days in the quarter before an event is considered excessive and is cause for disqualification, OR any disciplinary action within two school weeks of an event are cause for disqualification.
- ◆ Students who have missed more than 10% of school days throughout the year up to the day of an activity are considered chronically absent and this is cause for disqualification.

ACTIVITIES

After School Program (ASP)

Room 6 is where before and after school programming will be centered. It will be open every day with late buses coming at 5:30pm Monday-Thursday. We encourage students to stay after school to work to keep up their grades and get involved with extracurricular activities on campus. Participating in the ASSETs (After School Safety and Enrichment for Teens) program gives students additional opportunities to succeed in school, build culture and grow in spirit as a Redhawk!

Behavior Expectations: Students who participate in ASP are expected to follow the same school rules as during the school day (walking in the hallways, respecting others, alerting adults when there is an issue or concern). If a student chooses not to follow school rules during ASP, the coordinator may contact home to discuss the concerns with a parent or guardian and discuss whether continuing to attend ASP is the right decision for the student.

Promotion

Students who are eligible to participate in promotional activities have met the standards set forth by MEJHS and the board of MEUSD. This is a celebration and a privilege, not a right, of students that have provided evidence of their learning, consistent attendance, and appropriate behavior during school such that their friends and families can celebrate their accomplishments as they prepare to move into high school.

Student Leadership

Student Leadership serves MEJHS by voicing and addressing student opinions and needs, upholding the MEJHS Leadership Constitution, raising funds through the Student Store, overseeing the expenditures of student funds, and sponsoring many school-wide programs and events.

The primary goals are to create a memorable experience for all students on campus, to promote Redhawk unity and spirit, and to grow as student leaders. Leadership actively works to ensure that student activities and campus life are alive and well.

Yearbook

Students who participate in the yearbook class are assigned the elective class for one year. The production of the yearbook is an important part of the MEJHS experience for students. Students are trusted to contribute positively and exhibit good character that represents the school in a positive way. Yearbook students get to work on photography, design, and formatting of the memorable book that all students and family get to enjoy as they reminisce on the year!

How Do I Calculate My GPA?

Here is the standard scale for letter grades:

Letter Grade	Point Values
A	4.0
B	3.0
C	2.0
D	1.0
F	0.0

Calculate your GPA with these steps:

- **Look** at your grades on Aeries to see how many points each of your grades are worth.
- **Add** all the point values together – this is your sum.
- **Count** the number of classes you're taking.
- **Divide** the **sum** of the converted points by the **number of classes you're taking**.

Academic Honor Roll

Any student who has earned an overall grade point average of 3.5 or better for a quarter is recognized as an Honor Roll recipient.

EXAMPLE:

English	A	4 points	13 points	
Math	C	2 points		
Science	B	3 points		
PE	A	4 points		
		13 points		
			4 classes	
				= 3.25 Grade Point Average

GUIDANCE AND COUNSELING

Counseling Services and Schedules

The MEJHS Counseling Program is designed to provide both direct and indirect services to *all* students as well as program planning and school support. We work with students to support them in the three domains of school counseling; academic development, social-emotional development and college and career readiness. Support can be provided through classroom guidance lessons, individual counseling, mental health referrals, school-wide programs/events and small group counseling. *We look forward to working with and supporting you over the next two years.*

Student Schedules

To view a student schedule, login to the AERIES Learning Management System via the district website at www.meusd.org. You can access AERIES via the link at the top of the MEUSD Website Homepage. You can also access AERIES on the app found on most phones.

Schedule Changes

Schedule changes are discouraged. It is unlikely that a student will be able to move into a different class because a schedule change often affects the overall class schedule. Our master schedule is created to meet the needs of all students.

- *If you find you do need to make a schedule change request, please see Mrs. B., your School Counselor. It will require a parent/guardian signature prior to review.*
- **Requests for specific teachers, teacher changes, or specific periods are not accepted.**

School Counselor Appointments

If you want to meet with your counselor, you have several options.

- Walk-in to the Counseling Center **before school, at break, during lunch, or after school** (no appointment is necessary during these times but is first-come/first-serve). This method is best for students who have a minor concern or question that can be addressed quickly.
- Complete the [MEJHS School Counselor Request Form](#). This form can be accessed via Classlink on the student's chromebook.
- Emergency situations may walk-in anytime. This method is ONLY for students who have a concern or situation that needs **immediate attention**.
- Email your counselor your question or concern. Mrs. Bourque (Mrs. B) can be reached at carly.bourque@meusd.org.

GROWTH MINDSET

Students with a growth mindset are more likely to be confident and resilient when faced with challenges, and are more likely to see failures as learning opportunities. They may also be more inspired to work hard, which can lead to increased productivity. Research has shown that students who believe they can grow their intelligence through practice may even outperform their classmates academically.

Career Pathway Opportunities

Junior high is the time for students to be exposed to and explore career pathways and learn habits that will help them be successful.

While in high school, students will have the opportunity to learn career-oriented skills.

<u>Agricultural Mechanics CTE Pathway</u> • Farm Equipment Parts & Service Technician • Heavy Equipment Operator • Agricultural Engineer	
<u>AgriScience CTE Pathway</u> • Laboratory Aide/Animal Caretaker • Farm/Ranch Hand • Farm Management/Ranch Management • Farm supply sales • Animal Scientist • Livestock	<u>Ornamental Horticulture CTE Pathway</u> • Crop specialist, Soil scientist • Plant breeder • Landscape Equipment Operator • Nursery Associate • Field Assistant • Floral Designer

Behavior Code

At MEJHS, we take pride in our students' behavior and attitude toward their peers and our staff and we expect our students to do the same.

Explanation of Consequence Terms

- **Alternative to Suspension (ATS):** An ATS is assigned in lieu of an off-site suspension. The student will be enrolled in online classes via Edgenuity and will attend class in an alternative setting; the student will not have a break or lunch with other students. Upon completion, the referral will not be logged on their permanent record as a suspension and the student will be allowed to make up classwork.
- **Class Suspension:** A class suspension is assigned during a school day. The student will be removed from a specific class for one to two school days and work quietly in the office.
- **Detention:** Detention is assigned as a consequence either during lunch or before school. Students in detention are expected to remain quiet, focus on school work and stay off their personal devices.
- **Expulsion:** A formal process that entails suspension and a hearing at the District Office to determine if a student will be dismissed from their current educational setting. Students who are expelled by the Governing Board will be placed in an alternative educational setting until the Governing Board acts to lift their expulsion.
- **Involuntary transfer:** A student may be involuntarily transferred to the MEUSD alternative education program for the remaining semester plus the following semester in the event that previous discipline attempts have not brought forward the desired behavioral changes.
- **Suspension:** Removes student from campus for 1 to 5 days after which time a student may return to campus. Make-up work will be determined at the teachers' discretion.

ACADEMIC HONESTY

Academic honesty and personal integrity are fundamental components of a student's educational experience. Young adults preparing for college or work are expected to become independent. With this independence comes the responsibility to complete assignments on-time and to understand the material presented. With this responsibility, students are expected to act honestly at all times and may not engage in acts of: cheating on tests, assignments, or projects; fabrication or falsification; unauthorized collaboration; plagiarism; or theft; using AI sources to complete or present assignments/tests/projects as their own work.

Consequences for Academic Dishonesty:

- **First Offense: (in any class)**
 - Teacher issues a referral; teacher discretion determines if the student may redo the work
 - Parent or guardian contact
 - Student receives a "0" on the assignment and may earn an "N" in citizenship for that class
- **Second Offense: (in any class)**
 - Teacher issues a referral
 - Parent or guardian contact
 - Student receives a "0" on assignment
 - Student receives an "N" in citizenship for that class
 - Student will be assigned lunch detention
 - Student will not be able to make up the work

DRESS CODE

Clothing must be school appropriate, clean, in good repair, and worn as designed. Technology - Acceptable Use Policy

MEUSD Acceptable Use of Technology Agreement for Students – Grades K – 12

Mountain Empire Unified School District believes that access to technology in school gives students greater opportunities to learn, engage, communicate, and develop skills that will prepare them for work, life, and citizenship. We are committed to helping students develop the technology and communication skills that are necessary to support their future success. Therefore, we believe all students should have access to technology tools when they act in a safe, responsible, courteous and legal manner.

Access to online content via the district network is restricted through filtering in accordance with our policies, federal regulations (Children's Internet Protection Act [CIPA]) and follows privacy protection legislation (Student Online Personal Information Protection Act [SOPIPA]). If parents do not wish for their children to use particular district/school technologies, they must notify the school in writing. Mt. Empire Unified School District makes a reasonable effort to ensure students' safety and security online but will not be held accountable for any harm or damages that result from use of school technologies.

The District Acceptable Use of Technology Agreement outlines the guidelines and behavior that students are expected to follow when using school technologies or when using personally owned devices on the school campus:

- The Mountain Empire Unified School District network is intended for educational purposes.
- All activity with district technologies will be monitored and related information, data and history may be retained.
- Students are expected to follow the same rules for good behavior and respectful conduct online as well as offline.
- Students shall always use the Internet, network resources, and online sites in a courteous and respectful manner.
- Misuse of school resources can result in disciplinary action.
- Student users of the district network are expected to alert school staff immediately if they have any concerns for their safety and security and the safety and security of others.
- Mountain Empire Unified School District will not be held accountable for any harm or damages resulting from student violations of copyright restrictions or user mistakes or negligence.

That access will be restricted in compliance with CIPA, SOPIPA, and school policies. Web browsing will be monitored, and web activity records may be retained indefinitely. Students are expected to communicate with the same appropriate, safe, mindful, courteous conduct online as offline. *Students are not allowed to take pictures or make recordings during video-based communications. Use of video-based communications may result in inadvertent disclosure of student information to other students or families.*

Mobile Devices - Mtn. Empire Unified School District may provide students with mobile computers or other devices to promote learning in the classroom. Students are expected to treat these devices with extreme care and caution, and never remove devices from the classroom without the permission of the teacher. Students should not attempt to remove the virus or download any programs to help remove the virus.
