Lakeside High School Dragon Marching Band

PREFACE

Music has been a major part of humanity's education from the time of ancient Greece. Bands have provided a large part of the musical training of students, and since the 1920's, have become an important aspect of the American education system.

- ♪ **As Band is a skilled effort**, each student is expected to show technical and musical growth each year.
- ♪ **As Band is a group or team function**, each student is expected to contribute fully and to the best of his/her ability at all times.
- ♪ **As Band is a performing art**, performances are a logical and necessary outgrowth of the classroom experience.
- ♪ **As a School Band represents its community**, there are school and community expectations.

Students at Lakeside High School have the opportunity to participate in an outstanding Band program. The many benefits students will receive from this experience will make the time and effort worthwhile. The Band has become one of the fastest growing student activities at Lakeside High School. The Band is extremely active in school functions and participates in other activities within the community. The Band has begun to excel in both execution and presentation. Members should expect to work hard to continue this pursuit of excellence. This group is about achieving performance excellence in a Band performance setting. The Band enjoys the numerous accolades it has received because of the hard work of students, staff, and parents.

While the aspect of hard work may appear overwhelming to some, the benefits of the Dragon Marching Band far outweigh any perceived detriments. Friendships are made, forged, and strengthened; not only on the student level, but also among parents who become involved in the program. Students learn more than just music and how to get an audience to become engaged in their performance. Students learn discipline, respect, goal-oriented achievements, positive motivation, and how to work in a group. All of these skills are necessary and vital life/career skills, which the student will be able to draw upon later in life. The Lakeside High School Band can offer a student and their parents a chance to spend time together as a family. Schedules, which are passed out before the end of the school year, are adhered to with regular and consistent accuracy. These schedules are passed out in the effort to give families an idea of when to plan family trips and personal activities.

As with any large organization, certain policies, expectations, and procedures are necessary to ensure smooth operation and the best possible experience for all participants. This handbook has been written to aid students and parents in understanding the Lakeside High School Band. By becoming a member of the Dragon Marching Band, the student agrees to abide by these policies. **The last seven (7) pages of this handbook need to be filled out, signed in the appropriate places, and returned to the Band Office by the required deadlines, OR THE STUDENT WILL NOT ATTEND SUMMER REHEARSALS & PERFORMANCES/BAND CAMP AND WILL BE REMOVED FROM THE CLASS/ENSEMBLE!!!!**

Please remember that if you have a problem, concern, question, or wish to volunteer your services, I want to hear from you! Please feel free to stop in, send a note with your son/daughter, contact me at the school or my cell, or contact me via email.

Musically yours,

Mr. David P. Roth
Director of Instrumental Music
Lakeside High School

LHS BAND MISSION STATEMENT

ATTENDANCE AND ABSENCE POLICIES FOR PERFORMANCES AND EXTRA REHEARSALS

By virtue of being a Member of the Lakeside High School Dragon Marching Band, you have accepted an obligation not only to yourself, but to the entire organization as well. Because it is our desire to achieve the finest possible results, attendance at all rehearsals and performances (including sporting events) by every Band member is mandatory. ***PERFECT ATTENDANCE IS CONSIDERED THE NORM!*** It would be unrealistic, however, to assume that absences due to illness, death in the family, or other valid circumstances would not occur. With this in mind, the following policy has been instituted to explain and define the Absence Policy of the Lakeside High School DMB during Summer Rehearsals. These regulations have been designed to maintain the excellence of the Lakeside High School Band, and will help to ensure that membership in this

group continues to be a worthwhile and rewarding experience for all. Furthermore, it is assumed that any student who becomes a member of the Lakeside High School Band recognizes his/her responsibility to fellow students of the organization and wishes to contribute his/her best effort at all times.

Procedure For Missing A Rehearsal or Performance Due To An Emergency/Illness

Absences from rehearsals and performances affect the ENTIRE DMB. With advanced notice, that Director can often make changes or adjust plans to accommodate an absence, minimizing the negative impact on the other students. Therefore, **absences must be reported with a phone call to (440) 993-2540 ahead of time.** Reporting an absence does not necessarily mean the absence will be counted as “excused.”

Rehearsals And Performances

All LHSDMB Members are required to attend all rehearsals and performances. The ONLY excuses for missing rehearsals or performances are as follows:

- ♪ Family emergency
- ♪ Personal illness
- ♪ Extenuating circumstance, as deemed excused by Mr. Roth

Any unexcused absences from rehearsals or performances will result in one or more of the following:

- ♪ Deduction in grade
- ♪ Loss of performance opportunities
- ♪ Loss of organization privileges
- ♪ Removal from leadership responsibilities
- ♪ Other actions as deemed appropriate

- There are only a few “extenuating circumstances” that will be deemed by Mr. Roth as an excused absence from a performance. If an extenuating circumstance is in conflict with the Band calendar, the Director must be notified **no later than two (2) weeks before the performance conflict!** Please also note that work is never an excused absence. Students must make their employers aware of our schedule as soon as possible in order to prevent conflicts.

Students In Other Activities

Students who are involved in other activities must be constantly aware of conflicts which they may encounter. In the case of a Band performance and a performance in another school activity (sporting event), students are expected to try to participate in both events. In this case, students are permitted to travel with a parent to or from the Band event. When these conflicts arise, the director and coach/advisor should be notified in writing AT LEAST one (1) week prior to the event. Students may not drive themselves to or from any performance.

A Band is only as strong as its weakest member!
Attendance at Band rehearsals is extremely vital to the Band’s success!

PERFECT ATTENDANCE AT ALL EVENTS IS CONSIDERED THE NORM!!!!

Summer Rehearsals & Band Camp

Attendance at Summer Rehearsals and Band Camp are mandatory. These rehearsals are **crucial** to the Band’s success. Failure to attend these rehearsals will result in one or more of the following:

- ♪ Loss of performance opportunities
- ♪ Removal from leadership responsibilities
- ♪ Removal from the ensemble
- ♪ Other actions as deemed appropriate

Dates for these rehearsals are announced WELL IN ADVANCE since they change on a yearly basis and to insure students’ involvement.

A note (hand-written notification) from a Parent or Guardian with the following information must be submitted to the Director for an absence for consideration to be excused:

- a) Student’s name
- b) Reason for the absence
- c) Date of the requested absence

- d) Phone number
- e) Parent's/Guardian's signature
- f) Verbal notifications, voicemail, or messages sent via e-mail will not be accepted.
- g) Just turning in the note DOES NOT deem the absence excused. Please plan/schedule accordingly.

An unexcused absence by one (1) LHSDMB Member has a negative effect on the performance level of the entire LHSDMB. The high level of performance that is expected and will be produced by the LHSDMB will be due to the pride and dedication of its students. Attendance is an important part of this pride and dedication.

Attendance At Rehearsal Prior To A Performance

Students are required to be in attendance at the rehearsal prior to a performance. Required rehearsals included under this policy are:

1. Weekly after-school rehearsals
2. School-Day rehearsal PRIOR to a performance
3. The after-school rehearsal on the day of a performance

An absence of any kind from said rehearsal will result in the student not being able to participate in the performance and the possible loss of all points that would have been earned. Please plan accordingly when making appointments and other arrangements.

TARDINESS POLICIES

To be early is to be on time – to be on time is to be late – to be late is to be left behind!

Students are expected to be punctual for all Band events. For example, if the rehearsal is scheduled for 6:00 PM, the student should arrive with adequate time to warm-up and prepare for the rehearsal to begin at 6:00 PM, this would mean arriving by 5:45 PM or earlier.

Tardiness at a rehearsal may result in temporary suspension from future Band activities and/or loss of 3rd Quarter privileges. Tardiness at a performance may result in the student not participating in the performance.

Please plan accordingly.

BAND STUDENT CODE OF CONDUCT

As part of the Lakeside Instrumental Music Program, your actions, both in and out of uniform, are a direct reflection upon the Band, school, and community. Conduct yourself with dignity and pride at all times. The rules set forth in the school conduct code are in full effect throughout any performance or rehearsal.

The Band Director has designed this set of consequences to meet any discipline problems that may occur. Depending on the severity of the infraction any order or combination of consequences may apply. Consistent infractions will result in additional consequences including school-given punishments, as outlined in the Lakeside High School Student Code of Conduct.

Behavior Consequences

1. Verbal/Written Warning
2. Loss of Free Time or points deducted from Daily Participation
3. Disciplinary Isolation from Group
4. Removal from Rehearsal/Performance
5. Detention/Mandatory Band Service Time
6. Loss of Leadership Status within the Band
7. Conference
8. **Performance Suspension:** Student must attend the performance with the group but cannot participate in the performance.

9. **Performance Expulsion:** Student **is not** permitted to attend the performance as a member of the ensemble or as a spectator. Failure to accept this condition will result in the immediate referral to school administration. Grades will be affected by the missed rehearsals or performances during this time. Finally, students may not participate in any after school band activities for the duration of the punishment.
10. Referral to Administration/Legal Authorities
11. * Suspension
12. * Expulsion
- * School Given Consequences

Hazing or activities geared towards demeaning or embarrassing Band members will not be tolerated. Students who participate in any hazing or harassing activity will immediately face disciplinary action per the Lakeside High School Student Code of Conduct and may be removed from the organization. Please review said policy in the Lakeside High School Student Handbook. All members in the Lakeside High School Dragon Marching Band are important and vital and will be treated as such. Our ultimate goal of being the best Band possible should always be striven for!

Music/Routine Memorization Checks

1. All music/routines performed by the LHSDMB in public will be memorized, with the exception of stands tunes.
2. A specific date will be given when each piece of Music /Routine is due to be memorized.
3. ALL Band members/Twirlers are required to complete Music/Routine checks.
4. Music/Routine Checks are done during Marching Band Season. They are done to insure that the music/routine has been memorized and is being performed correctly.
5. **Music checks are a part of your grade for Band.**
6. The following guidelines are used for music checks:
 - Section Leaders will play their music checks for Mr. Roth/Mrs. Nelling
 - Band members will play their music checks to Section Leaders or Mr. Roth/Mrs. Nelling.
 - On or before that date, the music/routine must be “checked off” by either Mr. Roth/Mrs. Nelling/Miss Stoneman or authorized individual.
7. Points for Music Memos will be discussed in the Band Handbook.
8. **Inability to play off the required Memorization Checks will result in not participating in the performance of said music or routine AND losing points!!!!**
9. Chronic failure of Music/Routine Checks will lead to additional disciplinary action, which may include loss of privileges, dismissal from the performing group, etc.

FACILITIES AND EQUIPMENT

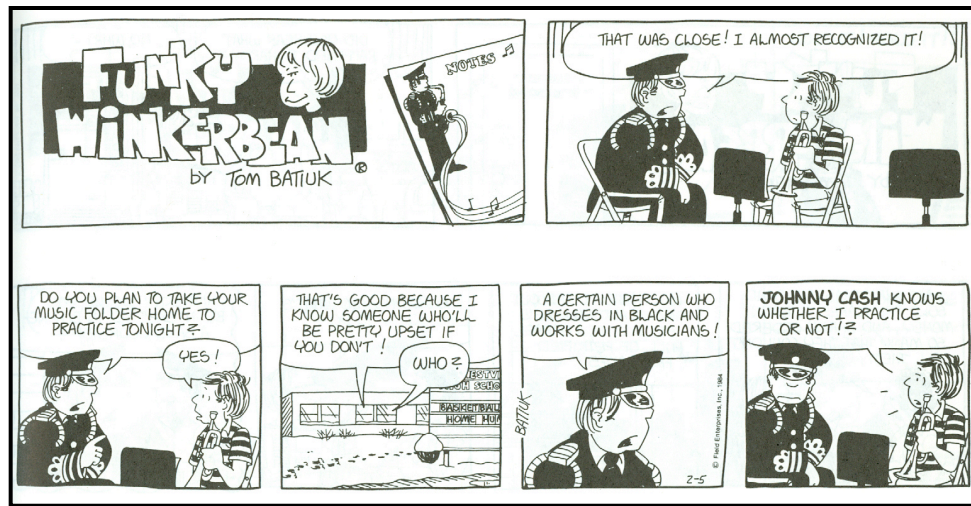

The Ashtabula Area City School District is not responsible for stolen or damaged instruments that are owned, rented, or borrowed by the Students. The Erie Music Room/Huron/Lakeside 9 is not secure 100% of the time so it is a good idea to lock your cases. Parents may wish to insure their Student's instrument under their homeowner's or renter's policy. Students must take proper care of their instruments, including not leaving them in practice rooms, classrooms, buses, hallways, or on the floor in the storage room. Only Percussion Students are permitted to play, touch, or move percussion instruments.

School-Owned Instruments

All school-owned instruments must be signed out by the Director. Students must take excellent care of school-owned instruments in their possession. It is the responsibility of the student to notify the Director of any damage. Students can and will be held responsible for any damage from horseplay or negligence. In these circumstances, cost of repair will rest solely with the student and his/her parents. At the end of the year, all instruments must be checked in. Reeds and slide grease, and valve oil are not provided, but can be purchased at area music stores or through the Director.

Instrument Requirements

We expect that all students have instruments in good working condition. All woodwind players should always have at least 3 spare reeds. Brass Students should have valve oil, rotor oil, or slide grease/cream available. All slides should function on brass instruments without any hesitation. If a student or parent would like to investigate purchasing a step-up instrument, please contact the Director and they can help guide you in your decision. Sometimes a better mouthpiece (for both brass and woodwinds) can make a large difference. Of course a pencil is the most important item to have with you at all times. If an instrument becomes damaged, always take it to a music store with an “in house” repair shop. These stores have the fastest services and generally do the best work.

Use and Care of Music

1. Do not fold, tear, or otherwise mutilate music.
2. Use only pencil when marking music.
3. Students can be held financially responsible for music that is not cared for properly.

PERFORMANCE ATTIRE

It is extremely important to our appearance that we look as uniform as possible. The professionalism, pride, and self-respect that a uniform appearance lends to a group are a positive influence on the overall affect of their performance. It will be our goal and our individual responsibility to secure the required uniform and wear it in the correct and appropriate fashion.

Marching Band Uniform Policy

Marching Band Uniforms are provided by Lakeside High School and the Lakeside Music Boosters. You are responsible for the proper use, maintenance, and return of all items issued by the Instrumental Music Department. All Band members will be furnished the LHSDMB T-Shirt, which shall be worn for all Marching Band performances unless instructed differently by the Director. Instrumentalists are required to furnish black socks, black Marching Band shoes, and approved accessories. The required Marching Band shoes must be purchased through the Uniform Manager.

Money for said purchases MUST BE PROVIDED PRIOR to receiving the uniform parts.

The Summer MB Uniform will consist of the following:

The LHSDMB Performance Uniform will consist of the following:

- ♪ LHSDMB T-Shirt

The following guidelines will be followed when wearing the LHSDMB Uniform:

1. The LHSDMB T-Shirt will be worn at all times beneath the Marching Band Uniform.
2. Hair in Marching Band for both men and women is to be off the collar. Hair touching the collar must be fastened up with rubber bands. No bow or hair accessories may be showing.
3. Make-up should be conservative so as to fit in with the entire group. No glitter or striking shades are permitted unless the Director approves in advance. Make-up should never be applied in uniform. Face paints are never permitted in uniform.

4. No jewelry/items are permitted **ON** the uniform, unless approved by the Director. Earrings will not be worn at any time by either gender.
5. No hats are to be worn with the uniform other than the Marching Band hat, unless approved by the Director.
6. Marching Shoes must be cleaned/shined before each performance.
7. Black socks are required.

Replacement items for the Marching Band Uniform should be acquired PRIOR to the performance from the Uniform Manager. Payment prior to receiving said replacements is required.

Any offense of the above will result in at least the loss of credit for the performance, or at most removed from the privilege of performing and loss of credit as above.

Uniform Inspections

Section Leaders will do a preliminary check to make sure that all parts of the uniform are being worn AND in good, CLEAN condition.

The Drum Major and/or the Director will conduct final inspections. Failure to pass a uniform inspection will incur the following disciplinary action(s):

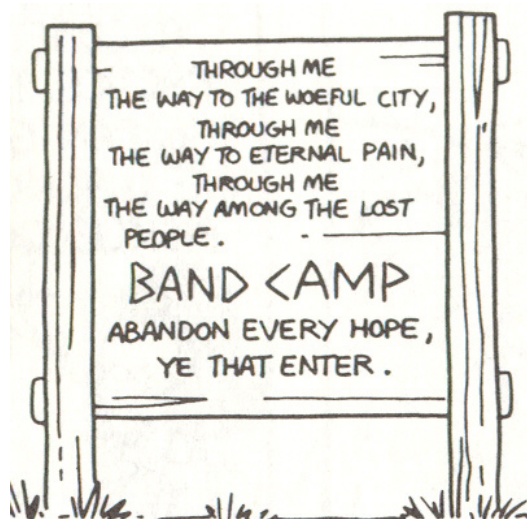

1. First Offense – Verbal warning and opportunity to fix the discrepancy.
2. Second Offense – 3rd Quarter/Free-Time privileges will be revoked for the current performance and one (1) Band Detention after the current performance and opportunity to fix the discrepancy.
3. Third Offense – Student will not perform with the DMB and will have 3rd Quarter Free-Time privileges revoked for the current performance and opportunity to fix the discrepancy.
4. Fourth Offense – Student will not perform with the DMB and will have 3rd Quarter privileges revoked for the rest of the Marching Season and opportunity to fix the discrepancy.

In the event the student cannot fix the discrepancy, said student will not perform and will lose all points possible for the performance, as well as privileges provided during the performance. Additional disciplinary action may be taken at the discretion of the Band Director.

Care Of The Marching Band Uniform After A Performance

All uniform parts and accessories are to be stored in the Uniform Room after each performance. Students are permitted to take uniforms home in order to have them dry-cleaned in the event of need. ALL PARTS of the uniform should be properly stored and hung up. Failure to do so may damage or dirty the uniform, which may cause the student to not be permitted to perform with the group.

Failure to properly store the uniform may result in being benched for the next performance and/or loss of privileges during the game.

Some Senior Parents travel down to be there and hear the stories. This year’s Senior Night will be on Tuesday night from 9:30 PM – 11:00 PM. Afterwards the Seniors usually stay up late and watch movies and eat pizza with their Senior classmates.

POOL ACCESS DURING BAND CAMP

Visiting the SRU Swimming Pool is an OPTIONAL free time activity on Monday & Tuesday. They will be using the pool with the community and other groups that may be there, so please keep that in mind.
