## Principal's Message

West Park Elementary School is a TK-8 school located in a rural setting seven miles southwest of the city of Fresno. One-hundred percent of the students are transported as West Park is a "no-walk" school. Along with our TK-8 clientele, West Park Elementary also includes a collaborative state preschool program housed on campus that has earned a four-star rating.

Our goal is to work for each student to become a quality self-learner as they become:

- A better writer
- A better reader
- A better thinker
- A better person

West Park Elementary School's task is to supply high-quality instruction, as well as the needed support, to empower each student to reach these goals.

West Park Elementary School continues to serve a diverse community that is traditionally strong in supporting family values. West Park's staff strives to meet the standards set forth by the state of California by presenting rigorous, standards-based academic content, with constant checking for understanding to inform the need to re-teach those areas that present a challenge, and differentiating the curriculum and instructional styles for students that require support in advancing their learning, or working to close gaps of performance for struggling students.

West Park Elementary School's expectation is that all students are at grade level in their academic performance. If this expectation proves challenging, the Student Success Team is brought to bear on the challenge, applying Response to Intervention strategies, with the goal always of improvement and ultimate student success.

As we work with each family and each child, we can open the doors for a better future that has advancing opportunities that each student can walk away remembering as a foundation to their learning. We are proud of each and every person associated with West Park, and we would like to carry that tradition forward with each family in mind.

## Parental Involvement

Parents and guardians engage in the following school-sponsored events:

- Orientation (TK/Kinder and 8th grades)
- Back to School Night
- Monthly Parent Coffee Hour
- Literacy Night
- Parent-Teacher Conferences Week (2x a Year)
- Academic awards
- Seasonal athletic events
- Rewards and assemblies
- Breakfast with Santa
- Muffins with Moms
- Donuts with Dads
- Open House
- Regular parent updates via Parent Square and Class Dojo
- Aeries Parent Portal
- Parent volunteer/field trip chaperone process
- SSC and ELAC
- Parent Empowerment Sessions through Fresno County Superintendent of Schools (FCSS)
- Local Control Accountability Plan (LCAP)

West Park parents were also involved in a Migrant Education Consortia (FCSS County collaborative), allowing parents to communicate with regional area parents to compare school needs and issues. Community Food Bank is distributed through the Migrant Ed program.

Through the SSC, Parent Advisory Committee and the ELAC, parents have the opportunity to get updates and give input on the LCAP.

Board meetings are held monthly on the second Monday of the month with an earmarked public session for district level communications. Agenda items are posted 72 hours in advance.

The school welcomes parents to visit the school during operations. Teachers and staff recruit parents for continuous support in fundraising and chaperoning events for the classroom. A school handbook, available in English and Spanish, is provided to guide the events of the year and to communicate critical contacts at the school.

Parent Square is used to announce events and communications to parents. Daily attendance calls are made home to address absences or other attendance nuances that may be reflected on the students' daily record. The student information system, Aeries, has a parent portal that is available to parents. They are able to look up their child's information.

For more information on how to become involved, please contact Superintendent Dr. Brian Clark at (559) 233-6501.

## School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

## District Mission Statement

West Park Elementary School District promotes continuous student achievement through

1. Standards-based curriculum
2. Alternative educational opportunities
3. Parent community partnerships
4. Cultural diversity
5. A safe and nurturing environment

All students will realize their full potential to become lifelong learners who are responsible and productive citizens.

## District Vision Statement

West Park educational community will continue to exceed its potential through respect, hard work and collaborative commitments.

## District Profile

The West Park Elementary School District was established in May 1885. It is a "single bell" district, which is symbolic of its independence and self-sufficiency. Located in a rural setting seven miles southwest of Fresno major, the district currently operates a preschool (located at the main elementary campus and one at a partnering campus), a transitional K-8 elementary school, and a K-12 charter school (located in Fresno and Hanford).

## Enrollment by Student Group

The total enrollment at the school was 286 students for the 2024-25 school year. The pie chart displays the percentage of students enrolled in each group.

### Demographics (2024-25 School Year)

## School Safety

West Park Elementary School is supported by the Injury & Illness Prevention Program sponsored by the Fresno County Self Insurance Group/Organization of Self-Insured Schools (OSS), which provides the template for the school's Safety Plan.

The plan is addressed annually by the superintendent and site managers.

The elements of the plan are communicated through the student-parent handbook so that procedures, protocols and contacts are communicated to all educational partners.

An ad hoc safety committee embedded in the District Senate meets monthly to discuss the safety trends of the site and needs that should be addressed in priority order. The team is composed of administrators and managers.

The superintendent has mandated that safety-related issues should be a topic item at all meetings.

Specific areas of focus, coupled with appropriate strategies to address concerns, are featured in the school Safety Plan. Safety and discipline issues are addressed in the student handbook, which is found on the District web page.

The Williams case items regarding facility and safety are audited annually. Ongoing audits include health and safety inspections from the fire marshal, food services and liability insurance carriers.

The following monthly drills are conducted:

- 1. Lockdown; 2. Duck and cover; 3. Evacuation/fire drill.

An annual bus evacuation drill is conducted during the first semester.

The Superintendent and the director of maintenance, operations and transportation inspect the facility on a monthly basis.

Visitors are required to check in at the office, sign the visitor's log and wear a badge (a visitor pass) while on the campus. All gates, except one, are locked during school hours. Yard supervisors are on duty before and during school hours. After-school activities are monitored by staff. West Park Elementary is contracted with the Fresno County Office of Education and Teaching Fellows for the after-school program and their personnel are trained to follow the regular school protocol for emergencies.

Safety policies are reviewed as needed (regulatory updates) and are kept current to address contemporary issues such as bullying, cyberbullying, character discussions (decision-making), and health and wellness issues. The school employs an outreach liaison to assist families with support and resources for a healthier existence. This includes a food bank, school-based clothes closet and assistance with health-related referrals to appropriate providers.

The important safety features applied most recently are:

- Security camera setup and monitoring (on the school grounds and school perimeter)

We adhere to the philosophy of PBIS for student accountability. This Response to Intervention, three-tiered model has led to sharp declines in suspension rates and no expulsions in the past two years.

The school safety plan was last reviewed, updated and discussed with the school faculty in October 2025.

## School Mission Statement

West Park Elementary School District staff is determined to help students reach their full potential. Our mission is to create a safe learning environment where our students thrive, academically, socially, and emotionally! We seek to cultivate academic resilience among our students by using instructional techniques that allow for productive struggle and that celebrate progress at all levels. Through grit and determination, our students will learn 21st century skills that will translate to success, academically and in life!

West Park Elementary School promotes continuous student achievement through

- Standards-based curriculum
- Parent community partnership
- A safe and nurturing environment
- Cultural diversity

The **Standards-Based Curriculum** at West Park Elementary is aligned with state adoptions, state assessment (California Assessment of Student Performance and Progress, or CAASPP) and English language development. Our Tiered System of support provides a schoolwide Response to Intervention strategy. Supplemental Educational Services (SES) provide after school support and enrichment opportunities for students.

**Parent Community Partnership** includes the Parent Empowerment Classes, School Site Council (SSC), English Learner Advisory Committee (ELAC), Parent Advisory Committee, Parent Volunteers and Field Trip Chaperones. The above groups are invested with Local Control and Accountability Plan (LCAP) input and are given regular LCAP updates.

**A Safe and Nurturing Environment** is supported through plan alignment with the Positive Behavioral Interventions and Supports (PBIS) philosophy. This Response to Intervention-based plan incentivizes positive behavior while addressing behavior incidents in a tiered approach. This plan addresses incentives and consequences for student conduct and is the basis for the uniformity of school climate.

**Cultural Diversity** is foundational to the West Park community with representation from the varying populations that are served and embraced with support of student resources beginning with meal preparations and opportunities for involvement in all aspects of the school.

## Class Size Distribution

The bar graphs display the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

## Professional Development

The annual calendar for the school year addresses and is monitored by administration for the following:

- English language arts (ELA) and math benchmarks
- Staff meetings, Professional Learning Communities (PLCs)
- Assessment tools for student progress

Benchmark assessments (CAASPP practice tests) and standardized report cards are used to assess, monitor and report student progress and teacher performance targets.

Teacher meetings (minimum-day schedule) are scheduled on Wednesdays with set agendas to focus on instructional practices and other site needs. PLCs for grade level class are scheduled a minimum of once per week.

The staff is encouraged to continue their education and participate in professional development activities (i.e., Assembly Bill 476, Beginning Teacher Support and Assessment, Special Education and Charter Issues). In addition, state and local conferences and use of multimedia resources are advocated.

Teachers attend professional development throughout the year. All certificated staff attend orientation at the beginning of each year. Six days of teacher professional development training is articulated in the Collective Bargaining Agreement (CBA).

During professional development opportunities, many topics are covered throughout the year. The following topics are stressed:

1. Content development and delivery in ELA and math
2. Assessment Preparation for CAASPP, English Language Proficiency Assessments for California (ELPAC)
3. Technology resources such as iReady, IXL and Core Curriculum Digital Resources

## California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students participating in each of the five fitness components for the most recent testing period. For more detailed information on the California PFT, please visit [www.cde.ca.gov/ta/tg/pf](http://www.cde.ca.gov/ta/tg/pf).

## School Vision Statement

West Park Elementary School envisions that every student leaves West Park equipped to successfully navigate the world beyond. All West Park Elementary students will be:

#### Effective communicators who:

- Communicate in written and verbal form.
- Listen and react appropriately to thoughts, beliefs, and feelings of others.

#### Successful collaborators who:

- Demonstrate tolerance of various viewpoints and belief systems.
- Use interpersonal skills to become a productive member of a team working towards a common goal.

#### Capable problem solvers and critical thinkers who:

- Locate information from a variety of credible sources
- Identify, access, analyze, and utilize information for specific purposes.

#### Proficient users of technology who:

- Demonstrate competence with various technological devices.
- Apply technology to solve problems

#### Responsible members of society who:

- Develop an appreciation for human diversity.
- Demonstrate an understanding of the democratic process and its importance at school, local, state, and national levels.

#### Ethical decision makers who:

- Understand and develop a sense of honesty, integrity, and respect.
- Value and practice mental, physical, and social wellness.

## California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## Statewide Assessments

**Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade 10, 11 or 12).

## CAASPP Test Results in Science for All Students

The table below shows the percent of students meeting or exceeding the State standard on the CAASPP—California Science Test (CAST) and the California Alternate Assessment for Science (CAA for Science) for grades 5, 8 and once in high school (i.e., grade 10, 11 or 12).

## CAASPP Test Results by Student Group: Science, English Language Arts and Mathematics

The tables on the following pages display the percentage of students that met or exceeded state standards in science, English language arts/literacy and mathematics for the school by student groups.

Science test results include the CAST and the CAA for Science. ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## Textbooks and Instructional Materials

West Park Elementary School follows state curriculum frameworks, district content and performance standards to support student achievement. State-adopted texts and instructional materials are reviewed and purchased for all grade levels. West Park Elementary students, including English learners, each have state-adopted texts in the core curriculum. Curriculum is supplemented with multimedia tools (computer software, internet research, videos, CDs, etc.).

We are a one to one campus. All students have access to devices and high-speed internet through mobile labs in every classroom. Students are also provided with Chromebooks for use at home.

Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## School Facility Good Repair Status

The table shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility's good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor.

School Facility Good Repair Status (2025-26 School Year)	
Items Inspected	Repair Status
<b>Systems:</b> Gas leaks, sewer, mechanical systems (heating, ventilation and HVAC)	Good
<b>Interior:</b> Interior surfaces (floors, ceilings, walls and window casings)	Good
<b>Cleanliness:</b> Pest/vermin control, overall cleanliness	Good
<b>Electrical:</b> Electrical systems	Good
<b>Restrooms/fountains:</b> Restrooms, sinks and drinking fountains	Fair
<b>Safety:</b> Fire safety, emergency systems, hazardous materials	Good
<b>Structural:</b> Structural condition, roofs	Good
<b>External:</b> Windows/doors/gates/fences, playgrounds/school grounds	Good
<b>Overall summary of facility conditions</b>	Good
<b>Date of the most recent FIT report</b>	8/13/2025

## Deficiencies and Repairs

The table lists the repairs required for all deficiencies found during the site inspection. Regardless of each item's repair status, all deficiencies are listed.

Deficiencies and Repairs (2025-26 School Year)	
Items Inspected	Repairs Needed and Action Taken or Planned
<b>Restrooms/fountains</b>	Computer center, wing 2 and 4 drinking fountain outdated and not working. Wing 5 boys' restroom one urinal not working and sink faucet loose. Fountain and sink repaired. Urinal cover and discontinue use.
<b>External</b>	Play structure step chain ladder damaged. Step was removed and repaired.

## School Facilities

West Park Elementary School makes a great effort to ensure the school is a clean, safe and functional learning environment.

### Age of School Buildings

The West Park Elementary School campus includes 26 classrooms, a preschool building, administrative offices, a teacher workroom, staff break room, cafeteria, library, server room, 13 restroom facilities and storage spaces. The main campus was built between 1953 and 1958. Six of the classrooms were added in 1962. Four portables were added in 2000. The south end of the campus houses a storage area (barn). A computer learning center that has been converted into a music/band room and charter office were added in 2003. Cameras have been installed to monitor public transition areas such as parking lots, campus entrances and exits, and areas of high traffic. A modernization plan application was submitted in 2012, and the district is applying for recently designated state funds. The modernization plan includes upgrades in flooring, doors, windows, plumbing, electrical, HVAC and storage. The modernization project is near completion. Due to insufficient funding, West Park School District has chosen to upgrade one set of boys and girls restrooms, one staff restroom in the elementary office, and moved to update the cafeteria/multipurpose room. The update of the multipurpose room includes updated windows on the west-facing wall, new ADA doors throughout the campus, four HVAC units in the multipurpose room, ADA ramp for stage accessibility, and a new sound-dampening drop-down ceiling. West Park has also used a portion of the modernization funds to give the whole campus a much-needed paint job to tie everything together. All classrooms and offices have internet access through direct connection or Wi-Fi access points. Bandwidth signaling was increased from 100MB to 1GB in 2023. Each classroom has a large screen smart TVs connected to curriculum sources and ancillary input devices. The computer center can host 30 students/staff and is used for state assessments, classroom projects and professional development.

### Maintenance and Repair

The school maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner and in alignment with facility regulations. A work-order process (requisition) is used to ensure efficient service response. Emergency repairs are given the highest priority. A "tech desk" request form for facility and maintenance service is available to all staff with a computer or internet device. It is also the district's role to assure that the Williams case facility initiative is compliant when audited. Current upgrades and repairs are a library renovation and the improvement of athletic fields and play areas.

### Cleaning Process and Schedule

There is one maintenance, operations and transportation department lead who manages maintenance schedules of four custodial staff members. Two work the day shift and two work the swing shift. Their duties include opening and closing the campus, routine repair and maintenance, grounds keeping, and daily cleaning of offices, bathrooms and all classrooms. The custodial staff also serve as the response team during emergency conditions—earthquake, lockdown and evacuation procedures. Asbestos Hazard Emergency Response Act (AHERA) updates are done by the maintenance staff.

One individual is trained to support the areas that are suspected of asbestos and guides the process and records the work done in the specified areas. The asbestos report is kept in the main district office. Annual training and updates are on-going and reviewed each summer. The last review was completed June 2020. West park is currently working to get someone trained and updated on these procedures.

### Deferred Maintenance

West Park Elementary continues to use deferred maintenance funds to keep the school site facility in good order. Routine replacement of HVAC filters, sewer filters, light replacements, painting, floor repair and door repair are typical in their routine procedures. Major replacements such as refrigerator compressors, electrical panel upgrades, blacktop resurfacing are generally outsourced. West Park Elementary School maintenance and technicians comply with the Department of Industrial Relations (DIR) policies that require all facility projects costing more than \$1,000 to be registered on the California DIR website, posting job roles and pay rates for the workers completing the job.

Note: The data in these tables is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The data source is the California State Assignment Accountability System (CalSAAS) provided by the Commission on Teacher Credentialing. For more information on the definitions listed above, refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

## Teachers Without Credentials and Misassignments (considered "ineffective" under ESSA)

This table displays the number of authorization/assignments of teachers with permits and waivers; misassignments; and vacant positions. For questions concerning the permits, waivers, and misassignment of teachers, visit the California Commission on Teacher Credentialing website at <https://www.ctc.ca.gov/>.

## Financial Data

The financial data displayed in this SARC is from the 2022-23 fiscal year. The most current fiscal information available provided by the state is always two years behind the current school year and one year behind most other data included in this report. For detailed information on school expenditures for all districts in California, see the California Department of Education (CDE) Current Expense of Education & Per-pupil Spending web page at [www.cde.ca.gov/ds/fd/ec](http://www.cde.ca.gov/ds/fd/ec). For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits web page at [www.cde.ca.gov/ds/fd/cs](http://www.cde.ca.gov/ds/fd/cs). To look up expenditures and salaries for a specific school district, see the Ed-Data website at [www.ed-data.org](http://www.ed-data.org).

## District Financial Data

This table displays district teacher and administrative salary information and compares the figures to the state averages for districts of the same type and size based on the salary schedule. Note: The district salary data does not include benefits.

Salary Data (2023-24 Fiscal Year)		
	West Park ESD	Similar Sized District
<b>Beginning teacher salary</b>	\$48,148	\$55,247
<b>Midrange teacher salary</b>	\$70,393	\$80,745
<b>Highest teacher salary</b>	\$94,870	\$109,655
<b>Average elementary school principal salary</b>	\$121,688	\$133,828
<b>Superintendent salary</b>	\$145,000	\$155,953
<b>Teacher salaries: percentage of budget</b>	24.56%	25.26%
<b>Administrative salaries: percentage of budget</b>	6.40%	6.12%

## Financial Data Comparison

This table displays the school's per-pupil expenditures from unrestricted sources and the school's average teacher salary and compares it to the district and state data.

Financial Data Comparison (2023-24 Fiscal Year)		
	Expenditures Per Pupil From Unrestricted Sources	Annual Average Teacher Salary
<b>West Park ES</b>	\$12,376	\$65,958
<b>West Park ESD</b>	\$12,585	\$68,760
<b>California</b>	\$11,146	\$85,291
<b>School and district: percentage difference</b>	-1.7%	-4.1%
<b>School and California: percentage difference</b>	+11.0%	-22.7%

Data for this year's SARC was provided by the California Department of Education and school and district offices. For additional information on California schools and districts and comparisons of the school to the district, the county and the state, please visit DataQuest at <http://dq.cde.ca.gov/dataquest>. DataQuest is an online resource that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners). Per Education Code Section 35256, each school district shall make hard copies of its annually updated report card available, upon request, on or before February 1.

All data accurate as of December 2025.
