\*Persons who have complaints against Board members or District staff are encouraged to seek resolution to those complaints by using the San Pasqual Valley Unified School District written complaint procedures before orally addressing them at a meeting. The Board will not respond to such complaints until the applicable complaint procedure (BP/AR 1312.1) has been followed and has reached the Board level. Where a complaint concerns a District employee identifiable by name, position, or other facts, the Board cannot respond until proper written notice has been given to the employee pursuant to Government Code Section 54957.

## **II. WORK SESSION WITH CSBA CONSULTANT**

1. **Board Self Evaluation:** *CSBA's Electronic Board Self-Evaluation provides an online assessment tool enabling board governance teams to step back and assess their effectiveness in meeting core responsibilities. After each board member and superintendent complete the evaluation individually, a full report of the results will be provided, often revealing a range of perceptions regarding the governance team's performance.*

*The Electronic Board Self-Evaluation tool was developed through collaborative efforts between board members across the state and field experts with more than 30 years*

experience providing guidance to school boards. Each of the characteristics to which the board and governance team will be evaluated has been purposefully chosen to provide insights to the board in order to inform and drive improvement. The evaluation is divided into two parts. Part one consists of questions regarding the conditions of effective governance. Part two contains questions that address the board's five major responsibilities. Learn more about the components of each part of this assessment.
