2024-2025 School Accountability Report Card

(Published During the 2025-2026 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

2025-26 School Description and Mission Statement

Rock Creek Elementary School is one of seventeen schools in the Rocklin Unified School District. The school serves students in Transitional Kindergarten through 6th Grade (including 4 Pre-school programs, 2 SDC/ED classrooms). Enrollment is approximately 392 students. The school is located in the center of a dynamic and supportive community which expresses its values toward education through a high level of participation. Rock Creek Elementary School opened in August, 2002 with a culturally rich and diverse population representing multiple different languages.

The staff of Rock Creek provides an exemplary learning environment. Academic learning is certainly the primary focus of the school, but commendably, the staff operates on the principle that a caring environment which fosters self-worth and individual

2025-26 School Description and Mission Statement

development is the best road toward realizing such learning. The students are able to approach all facets of their learning with confidence and the assurance that this school provides a safe learning environment.

We believe that everybody should feel safe, secure, and accepted, regardless of color, race, gender, popularity, athletic ability, intelligence, religion, and nationality. At Rock Creek, parents and staff together are dedicated to creating a safe and orderly learning environment in which students interact positively with others. Parents play an important roll in Rock Creek through active participation and involvement in School Site Council, the Science Docent Program, the Art Docent Program, the Music Docent program, PTC, and volunteering. As a united community (students, parents, and staff), Rock Creek continues to push for excellence both inside and outside the classroom.

The mission of Rock Creek Elementary School, an innovative and collaborative community of learners, is to empower students to succeed, grow, lead, and learn by nurturing:
academic and social-emotional growth
productive and compassionate citizens
mindful and critical thinkers
family and community partnerships

Objectives:
Students will learn mindfulness to develop social and emotional growth.
Students will be challenged through a variety of learning opportunities to achieve their personal academic goals.
Students will learn the value of being compassionate and contributing citizens in their community.

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements

Rock Creek Elementary School is a beautiful facility. It is aesthetically pleasing as well as being an excellent environment for student learning. It is a school that students, staff, and parents can be proud of. Supervision is provided before school, during recesses, and immediately after school. Visitors and volunteers are asked to report to the school office, sign in, and wear a visitor's badge while on campus.

District wide safety inspections are done on an ongoing basis throughout the year. Our school is regularly inspected and maintained by district maintenance and grounds personnel.

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. District maintenance ensures that the repairs necessary to keep the school sites in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2024-25 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2025-26 Opportunities for Parental Involvement

Parental involvement is available through various pathways including volunteering at the school, our Parent Teacher Club (PTC), our School Site Council, our art docent program, our science docent program, and our English Learners Advisory Committee. Parents constitute an important part of our school’s Site Council which meets throughout the school year. Both PTC and SSC meetings are promoted on the school website as well as in the weekly newsletter sent by the Principal in order to encourage strong attendance. Additionally, parents are encouraged to participate in various volunteer opportunities during the school day including participation in our school's art docent program, science docent program, as well as volunteering to support school safety as well as supporting in classrooms. Our EL teacher holds parent meetings for EL families to learn more about the services provided. All parents are provided input during IEPs as well as provided goals ahead of time to review. Parents are also invited each trimester to Coffee with the Principal, an opportunity to meet other families and the principal, share ideas, and ask questions.

Parents play a large role in the success of our school!

2025-26 School Safety Plan

All schools in the district have a Comprehensive School Safety Plan approved by the School Site Council. It includes an assessment of the current status of school crime, procedures to notify teachers of dangerous situations, disaster procedures, child abuse reporting procedures, rules and procedures on school discipline, school wide dress code, policies regarding suspension/expulsion, sexual harassment, procedures for the safe ingress and egress of pupils, and other safe school strategies and programs. Date Last Reviewed and updated with Staff: February 2025. In addition, the staff of Rock Creek reviews all evacuation and emergency procedures multiple times throughout the year at staff meetings (including at the beginning of each school year). In the fall of 2016 and again in the fall of 2018, the staff received specific training from the Rocklin Police and Fire department on steps to take if there was an active threat on campus. Staff received follow up training in the fall of 2023. Evacuation drills are held each month. In addition, Rock Creek works closely with the Rocklin Fire Department to ensure all classes and buildings pass the fire code. Through the implementation of PBIS, a focus on social-emotional support for students is emphasized through a variety of programs to again reinforce safety for all. School staff is trained annually. Date of Last Update: February 2025 Date of Last Review with Staff: August/September 2025
