School Meal Update for 2026-27

All students will continue to receive breakfast and lunch at school at no charge for the 2026-27 school year. Please remind your student that for a meal to be free, they must choose a fruit or vegetable every time. Each student may only have 1 free breakfast and 1 free lunch per school day. All students will continue to pay for ala carte items, second servings and ala carte milk. Students only get 1 milk free when it is part of a complete meal. Even though meals will be provided for free, it is important for families to continue to fill out the Education and Nutrition Benefits Application. An approved application may allow families to receive additional assistance. If you have additional questions, please call our Student Nutrition office at 810-626-2868.
