We also hope you become more active on the other days and encourage your friends and family to be active with you.

The Runnin' for Rhett mission is to LET RHETT'S STORY INSPIRE those who feel defeated, UPLIFT those who feel down and ENCOURAGE ALL TO take that first step, like Beth did in the spring of 2005, and MOVE INTO LIFE.

DESTINATION IMAGINATION

**EQUIP YOUR CHILD
WITH SKILLS THAT
LAST A LIFETIME**

At Destination Imagination (DI), we know it can be tough to keep kids excited about learning. That's why our Challenge Experience program gives students a hands-on, team-based adventure where learning feels like play and curiosity drives the journey.

Through designing, building, performing, and problem-solving, your child will discover how much fun it is to bring ideas from imagination to reality while developing skills that will last a lifetime.

WHAT IS THE CHALLENGE EXPERIENCE?
The Challenge Experience is Destination Imagination's flagship program where students work in teams to solve one of seven open-ended STEAM Challenges. Guided by a caring Team Manager—who supports but never solves—the process builds confidence, creativity, and collaboration.

WHO CAN PARTICIPATE?
Students Pre-K through high school can take part in the Challenge Experience. Teams can form in schools, clubs, community groups, or right at home with friends and family. Teams are grouped by age divisions to ensure a fair and fun experience for all.

DI PARTICIPANTS LEARN

- ✓ Self-Confidence
- ✓ Creative and Critical Thinking
- ✓ Project Management
- ✓ Team Building
- ✓ Problem-Solving
- ✓ Risk-Taking

WHEN DOES THE PROGRAM START?
Teams form between August and December, and typically spend 2-6 months creating and refining their solutions. Our local tournament takes place February. State Tournament is in April. Top performing teams may advance to Global Finals in May, DI's annual international celebration of creativity and innovation.
