WHAT IS P-TECH?

**Pathways in
Technology
Early
College
High School**

P-TECH stands for Pathways in Technology Early College High School. This program allows students to receive both a high school diploma and a credential and/or an associate degree. The hallmark of the P-TECH model is its career focus and the provision of work-based education.

P-TECH AT EVANT ISD

Evant High School, in partnership with TSTC and CTC offers students concurrent enrollment for this program. There is no cost to the students; Evant ISD pays for tuition, textbooks, and instructional fees. Upon successful completion of the program, students are able to participate in both Evant High School, TSTC, and CTC graduation ceremonies.

WHY CHOOSE THE P-TECH PATHWAY?

Students choosing this degree plan will be able to pursue a wide variety of job opportunities in information technology, financial education, and agricultural sciences. Career opportunities will be available to those obtaining certification in the fields of Welding and Business Administration.
