

6th Grade Classroom News

Mrs. Fornaciari & Mrs. Brookins

Classroom Rules

Be Safe, Respectful, and Responsible

If these are observed in the classroom, on the playground and during gym activities, things should be pretty peaceful.

Our September virtue is "**Kindness**". We will focus on kindness all month with writing assignments and various activities in the classroom.

Important Dates

- 9/7 Labor Day- No School
 - 9/21 Electives Begins
- 9/4, 9/11, 9/18, 9/25 Early Dismissal
 - 9/28 Progress Reports
- 10/7 Lassen Park Field trip

Busy, Busy, Busy!!!

We have been very busy in 6th grade these first few days of this new school year.

In Math, we have begun Numerical Expressions and Factors. The students have been doing very well with the transition to the Math and You program.

In Science, we will be studying the Geologic History of Earth. We will be looking at how scientist determine the age of rock layers.

In Language Arts, we are beginning to read Esperanza Rising and studying the elements of a novel.

In History, we will be studying early humans and the development of early civilizations. Please make sure that your student is reading each night and getting their weekly homework finished by Thursday. Missing assignments really affect their grades. With sports beginning, I want to make sure students are getting their work done so they are not ineligible.

A part of your child's daily homework is to spend time reading a novel of their choice. As of today your child, _____, has _____/_____ points towards their personal trimester goal. If your child is having a difficult time meeting this goal, it would be greatly appreciated if you could encourage your student to achieve this goal.
