DAILY BULLETIN

Friday, September 11th, 2026

Attention Seniors!

Are you interested in attending a 4-year university after high school? Butte College is hosting **Transfer Day**, where you can meet representatives from **more than 25 colleges and universities** and learn about your options for transferring.

Schools attending include **UC Berkeley, UC San Diego, UC Davis, Chico State, Cal Poly Humboldt, San Francisco State, University of the Pacific, University of Nevada, Southern Oregon University**, and many more!

You'll have the opportunity to learn about majors, admissions, student life, and transfer requirements, plus there will be **campus tours and a complimentary lunch!**

If you're interested in exploring your college options, **stop by the Counseling Office to sign up by Thursday September 17th.**

Is this heat getting you down? Beat the heat with a free ice cream at lunch TODAY! Be on the lookout for mini ducks hidden around campus on Friday. If you find one, turn it in to the ASB table in the hallway during lunch for a free ice cream!

There will only be 48 ducks hidden around campus so please, only one duck per person. Happy hunting!

Are you interested in careers where you spend your days outside? Do you like camping or spending time in the woods? Are you interested in a career in forestry, natural resource management, or working with CalFIRE? If so, we have an incredible opportunity for you!

We are recruiting students for the Forestry Challenge—an exciting 4-day event set in Santa Cruz's beautiful redwood forests. During the challenge, you'll work directly with professional foresters to learn real-world forestry skills, and then put those skills to the test in a competition against other schools!

If you want to find out more or sign up, come to an informational meeting TODAY in room 506 at lunch. If you can't make the meeting, email Ms. Kropholler. Don't miss out on this amazing hands-on experience.

Yearbooks are on sale at the lowest price of the year, only \$52! Order in the office or online at www.yearbookordercenter.com; prices go up to \$82 on October 1st!

This week's Suicide Prevention Awareness Month reminder is to **pay attention to the people around you.**

Sometimes someone who is struggling may pull away from friends, seem unusually sad or angry, talk about feeling hopeless or like a burden, or just seem very different from themselves.

You don't have to figure out what's wrong or fix it. Just notice, check in, and don't be afraid to tell a trusted adult if you're worried about someone.

Noticing can make a difference.
